Federal Aviation Administration

Membership in the National Parks Overflights Advisory Group

AGENCY: Federal Aviation Administration, (FAA), DOT.

ACTION: Solicitation of applications.

SUMMARY: The Federal Aviation Administration (FAA) and the National Park Service (NPS) invite interested persons to apply to fill one current and two upcoming vacancies on the National Parks Overflights Advisory Group (NPOAG). This notice invites interested persons to apply to fill the openings. The current opening represents Native American tribal concerns and the two upcoming openings represent air tour operator interests and environmental concerns, respectively.

DATES: Persons interested in these membership openings will need to apply by July 5, 2019.

FOR FURTHER INFORMATION CONTACT: Keith Lusk, Special Programs Staff, Federal Aviation Administration, Western-Pacific Region Headquarters, 777 S. Aviation Boulevard, Suite 150, El Segundo, CA 90245, telephone: (424) 405-7017, email: Keith.Lusk@faa.gov.

SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106-181, and subsequently amended in

the FAA Modernization and Reform Act of 2012. The Act required the establishment of the advisory group within 1 year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides “advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Membership

The current NPOAG is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American interests. Current members of the NPOAG are as follows:

Melissa Rudinger representing general aviation; Alan Stephen, Eric Lincoln, and Matt Zuccaro represent commercial air tour operators; Rob Smith, Dick Hingson, Les Blomberg, and John Eastman represent environmental interests; and Carl Slater represents Native American tribes with one current opening. Mr. Smith’s 3-year term expires on July 4, 2019 and Mr. Zuccaro’s 3-year term expires on September 9, 2019.

Selections

In order to retain balance within the NPOAG, the FAA and NPS are seeking candidates interested in filling the one vacant seat representing Native American tribal concerns and the two upcoming vacant seats representing air

tour operator interests and environmental concerns. The FAA and NPS invite persons interested in these openings on the NPOAG to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the NPOAG must be made to Mr. Lusk in writing and postmarked or emailed on or before July 5, 2019. The request should indicate whether or not you are a member of a Native American tribe, an air tour operator association or company, or whether you are a member of an environmental group or association. The request should also state what expertise you would bring to the NPOAG as related to issues and concerns with aircraft flights over national parks and/or tribal lands. The term of service for NPOAG members is 3 years. Current members may re-apply for another term.

On August 13, 2014, the Office of Management and Budget issued revised guidance regarding the prohibition against appointing or not reappointing federally registered lobbyists to serve on advisory committees (79 FR 47482).

Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in El Segundo, CA, on May 21, 2019.

Keith Lusk,

Program Manager, Special Programs Staff, Western-Pacific Region.

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA–2003–15638]

Petition for Waiver of Compliance

Under part 211 of Title 49 Code of Federal Regulations (CFR), this document provides the public notice that on May 8, 2019, the Long Island Rail Road petitioned the Federal Railroad Administration (FRA) for an extension of an existing waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 238, *Passenger Car Safety Standards*. FRA assigned the petition Docket Number FRA–2003–15638.

Specifically, LIRR requests to extend the waiver from § 238.303(e)(15)(i)(c), for its fleet of M7 multiple unit (MU) locomotives. The provision requires that MU type locomotives equipped with

dynamic brakes that become defective “shall be repaired or removed from service by or at the locomotive’s next exterior calendar day mechanical inspection.” LIRR states “in the 15 years that this waiver has been in place, the LIRR has not encountered either reports of slow trains or handling complaints related to inactive trucks.” LIRR contends the waiver provides “operational flexibility without any compromise in safety or performance.” LIRR explains it removes “inactive trucks from service within three calendar days when practical.”

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
