May 30, 2019.

On April 3, 2019, Cboe BZX Exchange, Inc. The proposed rule change was published for comment in the **Federal Register** on April 22, 2019.³ The Commission has received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is June 6, 2019. The Commission is extending this 45-day time period.

determine whether to disapprove, the proposed rule change (File No. SR–CboeBZX–2019–023).

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶
