Type of Review: Extension (with no change).

Affected Public: Businesses.

Abstract: The C-TPAT Program is designed to safeguard the world's trade industry from terrorists and smugglers by prescreening its participants. The C-TPAT Program applies to United States importers, customs brokers, consolidators, port and terminal operators, carriers, and foreign manufacturers.

Respondents apply to participate in the Trusted Trader Program and C-TPAT using an on-line application at: <https://ctpat.cbp.dhs.gov/trade-web/index>. This collection of information is authorized by the SAFE Port Act (Pub. L. 109-347).

The Trusted Trader Program involves a unification of supply chain security aspects of the C-TPAT Program and the internal controls of the Importer Self-Assessment (ISA) Program to integrate supply chain security and trade compliance. The Trusted Trader Program strengthens security by leveraging the C-TPAT supply chain requirements and validation, identifying low-risk trade entities for supply chain security and trade compliance, and increasing the overall efficiency of trade by segmenting risk and processing by account. The Trusted Trader Program applies to importer participants who have satisfied C-TPAT supply chain security and trade compliance requirements.

After an importer obtains Trusted Trader Program membership, the importer will be required to submit an Annual Notification Letter to CBP
