ACTION: Final rule.

SUMMARY: The Secretary amends the CSP—Grants for Credit Enhancement for Charter School Facilities program regulations to reflect changes made to

SUPPLEMENTARY INFORMATION: On December 10, 2015, the ESSA, which reauthorized the ESEA, as amended by the No Child Left Behind Act of 2001 (NCLB), was signed into law. Therefore, we are revising, in title 34 of the Code of Federal Regulations (CFR), §§ 225.1(b), 225.4(a), 225.11(a)(7), and 225.12(a)(1) to reflect specific statutory changes. The following paragraphs describe the changes we are making to the regulations and the statutory changes that necessitate them.

Part 225—Credit Enhancement for Charter School Facilities Program (§ 225.1)

Statute: Section 4304 of the ESEA.

Current Regulations: Current § 225.1 provides the purpose of the Credit Enhancement for Charter School Facilities program. The regulation was derived from the authorizing statute for the program under the ESEA, as amended by NCLB, that allowed grantees to use the grant funds deposited in the reserve account to assist charter schools to access private sector capital to accomplish either of the following objectives: (1) The acquisition of an interest in improved or unimproved real property that is necessary to commence or continue the operation of a charter school; or (2) the construction of new facilities, or the renovation, repair, or alteration of existing facilities, necessary to commence or continue the operation of a charter school.

Final Regulations: Revised § 225.1 updates the stated purpose of the Credit Enhancement for Charter School Facilities program. The regulation is derived from the authorizing statute for the program under the ESEA, as amended by ESSA, that allows for grantees to use the funds deposited in the reserve account to assist charter schools to access private sector capital to accomplish one or more of the

following objectives: (1) The acquisition of an interest in improved or unimproved real property that is necessary to commence or continue the operation of a charter school; (2) the construction of new facilities, or the renovation, repair, or alteration of existing facilities, necessary to commence or continue the operation of a charter school; or (3) the predevelopment costs required to assess sites for purposes of the program and that are necessary to commence or continue the operation of a charter school.

Reasons: Section 4304(e) of the ESEA, as amended by ESSA, added an additional program objective for which an eligible entity receiving a grant under this program may use the funds. Therefore, we are adding the new program objective to the regulation.

Part 225—Credit Enhancement for Charter School Facilities Program (§ 225.4)

Statute: Section 4310(2) of the ESEA, as amended by ESSA, defines “charter school.”

Current Regulations: Section 225.4(a) currently defines “charter school” under this program as it was defined in section 5210 of the ESEA, as amended by NCLB.

Final Regulations and Reasons: The final regulation updates the definition of “charter school” under this program, to reference the current definition in section 4310(2) of the ESEA, as amended by the ESSA.

Part 225—Credit Enhancement for Charter School Facilities Program (§ 225.11)

Statute: Section 4303(g)(2) of the ESEA.

Current Regulations: The current regulation provides criteria that the Secretary will use to evaluate an application for a Credit Enhancement for Charter School Facilities grant. Section 225.11(a)(7) references States with strong charter laws, consistent with the criteria for such laws in section 5202(e)(3) of the ESEA, as amended by NCLB.

Final Regulations and Reasons: The final regulation updates § 225.11(a)(7) to reference States with strong charter laws, consistent with the criteria for such laws in section 4303(g)(2) of the ESEA, as amended by ESSA.

Part 225—Credit Enhancement for Charter School Facilities Program (§ 225.12)

Statute: Section 4304 of the ESEA.

Current Regulations: The current regulation provides that the Secretary
