

identified in Table 2 of Unit II, registrants will be permitted to sell or distribute products under the previously approved labeling for a period of 18 months after the date of **Federal Register** publication of the cancellation order, unless other restrictions have been imposed. Thereafter, registrants will be prohibited from selling or distributing the products whose labels include the terminated uses identified in Table 2 of Unit II, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrant may sell, distribute, or use existing stocks of canceled products and products whose labels include the terminated uses until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products and terminated uses.

FEDERAL COMMUNICATIONS COMMISSION

[MB Docket No. 18-23; DA 19-438]

Elimination of Obligation To File Broadcast Mid-Term Report (Form 397)

AGENCY: Federal Communications Commission.

ACTION: Notice.

SUMMARY: In this document, the Federal Communications Commission (Commission or FCC) announces that the Office of Management and Budget (OMB) has approved the non-substantive modifications stemming from the Commission's Elimination of Obligation to File Broadcast Mid-Term Report Order (*Order*). This document is consistent with the *Order*, which stated that the Commission would publish a document in the **Federal Register** announcing the effective date of those changes and the elimination of FCC Form 397.

DATES: The changes take effect June 5, 2019.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Jonathan Mark, *Jonathan.Mark@fcc.gov*, of the Media Bureau, Policy Division, (202) 418-3634. Direct press inquiries to Janice Wise at (202) 418-8165.

SUPPLEMENTARY INFORMATION:

Synopsis

On February 14, 2019, the Federal Communications Commission adopted in the above referenced proceeding a Report and Order (*Order*) to eliminate the Broadcast Mid-Term Report (Form 397).¹ Because the information collected in the Form 397 is or will be otherwise available via broadcasters' online public inspection files, the Commission has found that the requirement to file Form 397 is outdated and unnecessary. EEO staff will instead rely on publicly available information in its statutorily-required mid-term reviews of broadcasters' equal employment opportunity practices. On May 15, 2019, a copy of the *Order* was published in the **Federal Register**² and the Commission received OMB approval to eliminate Form 397. Pursuant to the *Order*, the elimination of Form 397 will become effective upon publication of this notice in the **Federal Register**.
