SUPPLEMENTARY INFORMATION:

Title: Disclosure of returns and return information.

OMB Number: 1545–2154.

Regulation Project Number: 4506T–EZ and 4506T–EZ(SP).

Abstract: Individuals can use Form 4506T–EZ to request a tax return transcript that includes most lines of the original tax return. The tax return transcript will not show payments, penalty assessments, or adjustments made to the originally filed return. Form 4506T–EZ (SP) is the Spanish translated version of the Form 4507T–EZ. It is also used to request a tax return transcript that includes most lines of the original tax return.

Current Actions: There is no change to the burden previously approved by OMB. This form is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals or Households, Farms, and Businesses and other for-profit organizations.

Estimated Number of Respondents: 1,100,000.

Estimated Time per Respondent: 47 mins.

Estimated Total Annual Burden Hours: 870,000.

The following paragraph applies to all the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the ICR for OMB approval of the extension of the information collection; they will also become a matter of public record.

Approved: May 30, 2019.
