BILLING CODE P

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

[Docket No. DEA-392]

Importer of Controlled Substances Registration

ACTION: Notice of registration.

SUMMARY: The registrant listed below have applied for and been granted registration by the Drug Enforcement Administration (DEA) as an importer of schedule I controlled substances.

SUPPLEMENTARY INFORMATION: The company listed below applied to be registered as an importer of basic class of controlled substances. Information on previously published notice is listed in the table below. No comments or objections were submitted and no requests for a hearing were submitted for this notice.

Company	FR Docket	Published
Sanyal Biotechnology, LLC	84 FR 13953	April 8, 2019.

The DEA has considered the factors in 21 U.S.C. 823, 952(a) and 958(a) and determined that the registration of the listed registrant to import the applicable basic class of schedule I controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA investigated the company's maintenance of effective controls against diversion by inspecting and testing the company's physical security systems, verifying the company's compliance with state and local laws, and reviewing the company's background and history.

Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 CFR 1301.34, the DEA has granted a registration as an importer for schedule I controlled substances to the above listed company.

Dated: June 7, 2019.

John J. Martin,
Assistant Administrator.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act; the Clean Water Act; and the Oil Pollution Act

On June 10, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of Washington in the lawsuit entitled *United States, State of Washington, Suquamish Tribe, and Muckleshoot Indian Tribe v. Earle M. Jorgensen Company*, Civil Action No. 19-cv-00907.

The proposed Consent Decree resolves claims alleged against the Defendant for natural resource damages caused by releases and discharges of hazardous substances and oil from its formerly owned and operated facility to the Lower Duwamish River in and near Seattle, Washington. The settlement requires Defendant to pay its equitable share of total natural resource damages estimated for the Lower Duwamish River, for purposes of early settlements, and assessment costs incurred by the Natural Resource Trustees. The Consent Decree requires Defendant to pay \$1.3 million for natural resource damages and reimburse past assessment costs incurred by the Trustees totaling \$75,538.96. The Defendant will receive a covenant not to sue under the Clean Water Act; the Oil Pollution Act; the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"); and the State of Washington Model Toxics Control Act for natural resource damages caused by releases and discharges from its formerly owned and operated facility to the Lower Duwamish River.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States, State of Washington, Suquamish Tribe, and Muckleshoot Indian Tribe v. DEPARTMENT OF JUSTICE

Notice of Extension of Public Comment Period for Consent Decree Under the Clean Air Act

On February 8, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Alabama in the lawsuit entitled *United States et al. v. Drummond Company, Inc. d/b/a ABC Coke (Drummond)*, Civil Action No. 2:19-cv-00240-AKK. The United States is joined in this matter by its co-plaintiff the Jefferson County Board of Health (JCBH). At the request of members of the public, DOJ is extending the public comment period for an additional 30 days.

This case relates to alleged releases of benzene from Drummond's coke by-product recovery plant in Tarrant, Alabama (Facility). The case involves claims for civil penalties and injunctive relief under the Clean Air Act, 42 U.S.C. 7401 *et seq.*, and its implementing regulations known as National Emission Standards for Hazardous Air Pollutants (NESHAPs), including 40 CFR part 61, subpart L (Benzene Emissions from Coke By-product Recovery Plants), Subpart V (Equipment Leaks and Fugitive Emissions), and Subpart FF (Benzene Waste Operations), as well as related claims under laws promulgated by the Jefferson County Board of Health.
