Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Notice of Proposed Stock Redemption.

Agency form number: FR 4008.

OMB control number: 7100-0131.

Frequency: Event-generated.

Respondents: Bank holding companies.

Estimated number of respondents: 8.

Estimated average hours per response: 15.5 hours.

Estimated annual burden hours: 124 hours.

General description of report: The Bank Holding Company Act (BHC Act) and Board's Regulation Y require a bank holding company (BHC) to seek the prior approval of the Board before purchasing or redeeming its equity securities in certain circumstances. Due to the limited information that a BHC must provide in connection with any such request, there is no required reporting form (the FR 4008 designation is for internal purposes only), and each request for prior approval must be filed

as a notification with the Reserve Bank that has direct supervisory responsibility for the requesting BHC.

The Federal Reserve uses the information provided in the redemption notice to supervise BHCs.

Legal authorization and confidentiality: The FR 4008 is authorized pursuant to sections 5(b) and (c) of the BHC Act (12 U.S.C. 1844(b) and (c)). Section 5(b) of the BHC Act, as amended by section 616 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act),¹ generally authorizes the Board to, among other things, issue capital regulations that are necessary to administer and carry out the purposes of the BHC Act and prevent evasions thereof. Section 5(c) of the BHC Act generally authorizes the Board to, among other things, require reports from BHCs on a range of issues. The FR 4008 is required for some BHCs to obtain the benefit of being able to purchase or redeem their equity securities.

Individual respondents may request that data submitted be kept confidential on a case-by-case basis. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis. Requests may include information related to the BHC's business operations, such as terms and sources of the funding for the redemption and pro forma balance sheets. This information may be kept confidential under exemption 4 of the Freedom of Information Act, which protects privileged or confidential commercial or financial information.²

Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Report title: Disclosure Requirements of Regulation Y Associated with Minimum Requirements for Appraisal Management Companies.

Agency form number: FR HY-5.

OMB control number: 7100-0370.

Frequency: Event generated.

Respondents: Federally regulated and state regulated Appraisal Management Companies (AMCs) and U.S. states.

Estimated number of respondents: 3,136.

Estimated average hours per response: Section 225.192, 0.08 hours; Section 225.193(a), 40 hours; Section 225.193(b), 1 hour; Section 225.195, 1 hour; Section 225.196, 1 hour.

Estimated annual burden hours: Section 225.192, 237 hours; Section 225.193(a), 2,040 hours; Section

¹ Public Law 111-203, 124 Stat. 1376 (2010).

² 5 U.S.C. 552(b)(4).

225.193(b), 1,174 hours; Section 225.195, 11 hours; Section 225.196, 51 hours.

General description of report: The Board's disclosure requirements associated with minimum requirements for AMCs are found in sections 225.192, 225.193, 225.195, and 225.196 of the Board's Regulation Y.

Section 225.192(b), Written Notice of Appraiser Removal from Network or Panel, provides that an appraiser in an AMC's network or panel is deemed to remain a part of the AMC's appraiser panel until the AMC (1) sends a written notice to the appraiser removing the appraiser with an explanation or (2) receives a written notice from the appraiser asking to be removed or a notice of the death or incapacity of the appraiser.

Participating states must have an AMC registration and supervision program. Pursuant to section 225.193(a), each participating state must establish and maintain within its appraiser certifying and licensing agency a registration and supervision program with the legal authority and mechanisms to, among other things, review and approve or deny an AMC's application for initial registration; require AMCs to submit reports, information, and documents; and report violations of appraisal-related laws, regulations, or orders, and disciplinary and enforcement actions to the Appraisal Subcommittee.

Section 225.193(b) requires each participating state to require non-federally regulated AMCs to register with the state appraiser certifying and licensing agency.

Section 225.195(c) requires a federally regulated AMC to report to the state or states in which it operates the information required to be submitted by the state pursuant to the Appraisal Subcommittee's policies regarding the determination of the AMC National Registry fee, including information relating to certain ownership limitations in the regulation.

Section 225.196 requires that each participating state submit to the Appraisal Subcommittee the information required to be submitted by Appraisal Subcommittee regulations or guidance concerning AMCs that operate in the state.

There are no required reporting forms associated with these information collections. No other federal law mandates these disclosure requirements. This information is not available from any other source.

Legal authorization and confidentiality: The FR HY-5 is authorized pursuant to section 1124(a)

of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA), which provides that the agencies "shall jointly, by rule, establish minimum requirements to be applied by a State in the registration of [AMCs]" (12 U.S.C. 3353(a)). Section 1124(e) of the FIRREA requires that the agencies "jointly promulgate regulations for the reporting of the activities of [AMCs] to the [Appraisal Subcommittee of the Federal Financial Institutions Examination Council (ASC)] in determining the payment of the annual registry fee" (12 U.S.C. 3353(e)). In addition, section 1109(a) of the FIRREA requires each participating state with an appraiser certifying and licensing agency to transmit to the ASC "[1] a roster listing individuals who have received a State certification or license . . . [2] reports on the issuance and renewal of licenses and certifications, sanctions, disciplinary actions, license and certification revocations, and license and certification suspensions on a timely basis to the national registry of the [ASC] . . . [3] [and reports on] investigations initiated and disciplinary actions taken" (12 U.S.C. 3338(a)(1)-(3)). Section 1124 of the FIRREA does not compel a state to establish an AMC registration and supervision program, nor is a penalty imposed on a state that does not establish a regulatory structure for AMCs.¹ Therefore, the FR HY-5 is voluntary for states. The FR HY-5 is mandatory for AMCs.

Because the Federal Reserve will not collect this information, confidentiality issues would normally not arise. Because the records are retained at banking organizations, the Freedom of Information Act (FOIA) will only be implicated if the Board's examiners retain a copy of the record as part of an examination or supervision of a banking institution. In that case, the records would be exempt from disclosure under exemption 8 of FOIA, which protects examination materials from disclosure (5 U.S.C. 552(b)(8)). Exemption 4 of the FOIA, which protects confidential financial information, and exemption 6 of the FOIA, which protects non-public personal information, may also be applicable (5 U.S.C. 552(b)(4) and (b)(6)).

Current actions: On March 6, 2019, the Board published a notice in the **Federal Register** (84 FR 8098) requesting public comment for 60 days on the extension, without revision, of the FR HY-5. The comment period for this notice expired on May 6, 2019. The Board did not receive any comments.

Assistant Secretary of the Board.
