FEDERAL RESERVE SYSTEM

Privacy Act of 1974; System of Records

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice of a modified system of records.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, notice is given that the Board of Governors of the Federal Reserve System (Board) proposes the modification of a system of records, BGFRS-40, entitled "FRB—Board Subscription Services." BGFRS-40 maintains subscription-related information regarding individuals who subscribe to Board publications.

DATES: Comments must be received on or before July 18, 2019.

This modified system of records will become effective July 18, 2019, without further notice, unless comments dictate otherwise.

The Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act, requires a 30-day period prior to publication in the **Federal Register** in which to review the system and to provide any comments to the agency. The public is then given a 30-day period in which to comment, in accordance with 5 U.S.C. 552a(e)(4) and (11).

ADDRESSES: You may submit comments, identified by *BGFRS-40; FRB-Board Subscription Services*, by any of the following methods:

- *Agency Website:* <https://www.federalreserve.gov>. Follow the instructions for submitting comments at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx>.

- *Email:* regs.comments@federalreserve.gov. Include SORN name and number in the subject line of the message.

- *Fax:* (202) 452-3819 or (202) 452-3102.

- *Mail:* Ann E. Misback, Secretary, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

All public comments will be made available on the Board's website at <https://www.federalreserve.gov/apps/foia/proposedregs.aspx> as submitted, unless modified for technical reasons, or to remove sensitive personally identifiable information. Public comments may also be viewed electronically or in paper form in Room 146, 1709 New York Avenue NW, Washington, DC 20006, between 9:00 a.m. and 5:00 p.m. on weekdays.

FOR FURTHER INFORMATION CONTACT: David B. Husband, Senior Attorney, (202) 530-6270, or david.b.husband@frb.gov; Legal Division, Board of Governors of the Federal Reserve System, 20th Street and Constitution Avenue NW, Washington, DC 20551.

SUPPLEMENTARY INFORMATION: The main publication that the Board provides is the Federal Reserve Regulatory Service (FRRS), which is a compilation of the statutes administered by the Board along with regulations, interpretations, policy statements, rulings, and opinions issued by the Board and its staff. The FRRS also includes select regulations issued by other agencies that are relevant to the Board's responsibilities. The Board also provides subscriptions to other publications such as general publications, reports to Congress, and economic research and data.

The Board contracts the FRRS subscription services to a vendor who processes subscriptions purchased on the FRRS website. Going forward, to accommodate subscriber demand for an offline payment option, the vendor will also process offline check payments for FRRS subscriptions. The Board will continue to operate the subscription services for the other publications (*e.g.*, the general publications). Accordingly, the Board is updating the categories of records in the system and updating the history field to reflect the earlier publication of this SORN.

The Board is also making a technical correction to the routine uses for the system and replacing two BGFRS-40 system-specific uses that reflect OMB breach notification related uses with the corresponding Board General Routine Uses. This change is necessary because the Board published BGFRS-40 with the OMB breach notification uses before amending the "General Routine Uses of Board Systems of Records," to incorporate those same OMB breach notification uses. See 83 FR 43872, August 28, 2018, available at <https://www.govinfo.gov/content/pkg/FR-2018-08-28/pdf/2018-18627.pdf>. Therefore, the Board is replacing the BGFRS-40 system-specific routine use (1) with General Routine Use I and the BGFRS-
