OMB Number: 1651-0035.

Current Action: CBP proposes to extend the expiration date of this information collection with no change to the burden hours or to the information collected.

Affected Public: Businesses.

Abstract: Subheading 9803.00.50 of the Harmonized Tariff Schedule of the United States (HTSUS), codified as 19 U.S.C. 1202, provide for the release without entry of the payment of duty of certain substantial holders or containers pursuant to the provisions of 19 CFR 10.41b.

Section 19 CFR 10.41b eliminates the need for an importer to file entry documents by instead requiring, among other things, the marking of the containers or holders to indicate the HTSUS numbers that provide for duty-free treatment of the containers or holders.

For U.S. manufactured serially numbered holders or containers which may be released without entry or the payment of duty under 9801.00.10 HTSUS, 19 CFR 10.41b requires the owner to place the following markings on the holder or container: 9801.00.10, HTSUS (unless the holder or container has a permanently attached metal tag or plate showing, among other things, the name and address of the U.S. manufacturer); the name of the owner; and the serial number assigned by the owner. For serially numbered holders or containers of foreign manufacture for which may be released without entry or payment of duty under 9803.00.50 HTSUS, 19 CFR 10.41b requires the owner to place markings containing the following information: 9803.00.50 HTSUS; the district and port code numbers of the port of entry; the entry number; the last two digits of the fiscal year of entry covering the importation of the holders and containers on which duty was paid; the name of the owner; and the serial number assigned by the owner.
