SUPPLEMENTARY INFORMATION:

Title: Confirmation, Portfolio Reconciliation, Portfolio Compression, and Swap Trading Relationship Documentation Requirements for Swap Dealers and Major Swap Participants (OMB Control Nos. 3038-0068 and 3038-0083).² This is a request for an extension of currently approved information collections.

Abstract: On September 11, 2012 the Commission adopted Commission regulations 23.500-23.505 (Confirmation, Portfolio Reconciliation, Portfolio Compression, and Swap Trading Relationship Documentation

Requirements for Swap Dealers and Major Swap Participants)³ under sections 4s(f), (g) and (i)⁴ of the Commodity Exchange Act ("CEA"). The regulations require, among other things, that swap dealers ("SDs")⁵ and major swap participants ("MSPs")⁶ develop and retain written swap trading relationship documentation. The regulations also establish requirements for SDs and MSPs regarding swap confirmation, portfolio reconciliation, and portfolio compression. Under the regulations, swap dealers and major swap participants are obligated to maintain records of the policies and procedures required by the rules.⁷

Confirmation, portfolio reconciliation, and portfolio compression are important post-trade processing mechanisms for reducing risk and improving operational efficiency. The information collection obligations imposed by the regulations are necessary to ensure that each swap dealer and major swap participant maintains the required records of their business activities and an audit trail sufficient to conduct comprehensive and accurate trade reconstruction. The information collections contained in the regulations are essential to ensuring that swap dealers and major swap participants document their swaps, reconcile their swap portfolios to resolve discrepancies and disputes, and wholly or partially terminate some or all of their outstanding swaps through regular portfolio compression exercises. The collections of information are mandatory.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. On May 1, 2019, the Commission published in the **Federal Register** notice of the proposed extension of this information collection and provided 60 days for public comment on the proposed extension, 84 FR 18521 ("60-Day Notice"). The Commission did not receive any relevant comments on the 60-Day Notice.

³ 17 CFR 23.500-23.505.

⁴ 7 U.S.C. 6s(f), (g) & (i).

⁵ For the definition of SD, see Section 1a(49) of the CEA and Commission regulation 1.3, 7 U.S.C. 1a(49) and 17 CFR 1.3.

⁶ For the definitions of MSP, see Section 1a(33) of the CEA and Commission regulation 1.3, 7 U.S.C. 1a(33) and 17 CFR 1.3.

⁷ SDs and MSPs are required to maintain all records of policies and procedures in accordance with Commission regulation 1.31, including policies, procedures and models used for eligible master netting agreements and custody agreements that prohibit custodian of margin from re-hypothecating, repledging, reusing, or otherwise transferring the funds held by the custodian.

Burden Statement: The Commission is revising its estimate of the burdens for the collections to reflect the current number of respondents and estimated burden hours. The respondent burdens for the collections are estimated to be as follows:

• **OMB Control No. 3038-0068 (Confirmation, Portfolio Reconciliation, and Portfolio Compression Requirements for Swap Dealers and Major Swap Participants)**

Number of Registrants: 101.
Estimated Average Burden Hours per Registrant: 1,274.5.

Estimated Aggregate Burden Hours: 128,724.5.

Frequency of Recordkeeping: As applicable.

• **OMB Control No. 3038-0083 (Orderly Liquidation Termination Provision in Swap Trading Relationship Documentation for Swap Dealers and Major Swap Participants)**

Number of Registrants: 101.
Estimated Average Burden Hours per Registrant: 270.

Estimated Aggregate Burden Hours: 27,270.

Frequency of Recordkeeping: As applicable.

Authority: 44 U.S.C. 3501 *et seq.*

Dated: June 26, 2019.

Deputy Secretary of the Commission.

[Docket No.: ED-2019-ICCD-0053]

Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; National Public Education Financial Survey (NPEFS) 2019-2021: Common Core of Data (CCD)

AGENCY: National Center for Education Statistics (NCES), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, ED is proposing an extension of an existing information collection.

DATES: Interested persons are invited to submit comments on or before August 1, 2019.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by

¹ 17 CFR 145.9.

² Historically, PRA Collections 3038-0068, 3038-0083, and 3038-0088, which impose interrelated requirements, were renewed as a consolidated collection. See 81 FR 6241 (Feb. 5, 2016). However, on April 1, 2019, the CFTC published an interim final rule (IFR), which allows uncleared swaps to retain its legacy status when transferred in connection with a no-deal Brexit. See 84 FR 12233. This IFR directly affects the calculation of burdens in PRA Collection 3038-0088. Accordingly, the proposed renewal now treats collections 3038-0068 and 3038-0083 as a consolidated collection, with collection 3038-0088 being considered separately.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: National Public Education Financial Survey (NPEFS) 2019–2021: Common Core of Data (CCD).

OMB Control Number: 1850–0067.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 56.

Total Estimated Number of Annual Burden Hours: 5,334.

Abstract: The National Public Education Financial Survey (NPEFS) is an annual collection of state-level finance data that has been included in the NCES Common Core of Data (CCD) since FY 1982 (school year 1981–82). NPEFS provides function expenditures by salaries, benefits, purchased services, and supplies, and includes federal, state, and local revenues by source. The NPEFS collection includes data on all state-run schools from the 50 states, the District of Columbia, American Samoa, the Northern Mariana Islands, Guam, Puerto Rico, and the Virgin Islands. NPEFS data are used for a wide variety of purposes, including to calculate federal program allocations such as states' "average per-pupil expenditure" (SPPE) for elementary and secondary education, certain formula grant programs (e.g., Title I, Part A of the Elementary and Secondary Education Act of 1965 (ESEA) as amended, Impact Aid, and Indian Education programs). Furthermore, in addition to using the SPPE data as general information on the financing of elementary and secondary education, the U.S. Department of Education Secretary uses these data directly in calculating allocations for certain formula grant programs, including, but not limited to, title I, part A, of the ESEA, Impact Aid, and Indian Education programs. Other programs, such as the Education for Homeless Children and Youth program under title VII of the McKinney-Vento Homeless Assistance Act, and the Student Support and Academic Enrichment Grants under title IV, part A of the ESEA make use of SPPE data indirectly because their formulas are based, in whole or in part, on State title I, part A, allocations. This request is to conduct the annual collection of state-level finance data for FY 2019–2021.

Dated: June 26, 2019.

PRA Coordinator, Information Collection Clearance Program, Information Management Branch, Office of the Chief Information Officer.
