#### Certain Quartz Surface Products From India and the Republic of Turkey: Postponement of Preliminary Determinations in the Countervailing Duty Investigations

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable July 3, 2019.

#### FOR FURTHER INFORMATION CONTACT:

Kristen Johnson at (202) 482–4793 (India), or Stephanie Berger at (202) 482–2483 (Republic of Turkey), AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On May 28, 2019, the Department of Commerce (Commerce) initiated countervailing duty (CVD) investigations of imports of certain quartz surface products from India and Turkey.<sup>1</sup> Currently, the preliminary determinations are due no later than August 1, 2019.

##### Postponement of Preliminary Determinations

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1)(A) of the Act permits Commerce to postpone the

preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if the petitioner makes a timely request for a postponement. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On June 20, 2019, the petitioner<sup>2</sup> submitted timely requests, pursuant to section 703(c)(1)(A) of the Act and 19 CFR 351.205(e), to fully postpone the preliminary determinations.<sup>3</sup> The petitioner stated that it requests postponement to provide Commerce with time to fully analyze the respondents' questionnaire responses and allow it to identify and allege any additional subsidy benefits not addressed in the petitions.<sup>4</sup>

In accordance with 19 CFR 351.205(e), the petitioner stated the reasons for requesting a postponement of the preliminary determinations, and Commerce finds no compelling reason to deny the requests. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determinations to no later than 130 days after the date on which this investigation was initiated, *i.e.*, October 7, 2019.<sup>5</sup> Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations.
