SUPPLEMENTARY INFORMATION:

I. Background

On May 19, 2017, consistent with the Paperwork Reduction Act, (PRA), HUD published a notice in the **Federal Register**, 82 FR 23058, seeking public comment for a period of 60 days (60-day Notice) on HUD's proposed update and revisions to the transactional and supporting documents used for underwriting, accounts receivable financing, asset management, closing, and construction of healthcare facilities, insured pursuant to 12 U.S.C. 1715w, section 223(a)(7)-12 U.S.C § 1715n and 223f-12 U.S.C. 1715n of the National Housing Act. In conjunction with publication of the 60-Day Notice, the 153 healthcare facility documents (with proposed revisions) were made available for public review and comment. A summary of the changes to the existing healthcare facility documents was also provided so that reviewers could understand the changes proposed.

In response to the 60-Day Notice, HUD received 43 submissions on the *regulations.gov* site from multiple commenters which were considered in the development of the revised documents which were published on April 10, 2018 in the **Federal Register** (83 FR 15396), and again on June 29, 2018, (83 FR 30769) and consistent with the PRA, comment was solicited for an additional 30 and 15 days respectively. The second (15-day) publication was to allow the public to resubmit any comments from the 30-day process, which may not have been received by HUD and OMB, due to a technical problem; both of these latter publications presented the exact same documents, and comments from both the 30-day and 15-day versions were combined for review purposes. In response to the 30-Day and 15-Day Notices, HUD received 10 submissions on the *regulations.gov* site from multiple commenters which were considered in the development of the final documents.

This notice published today announces that HUD has completed the notice and comment processes required by the Paperwork Reduction Act, and that OMB has completed its review and has approved the renewal/reinstatement of document collection 2502-0605. HUD made additional changes to the documents in response to comments submitted on the 30-Day Notice. Therefore, in addition to announcing the completion of the process required

by the Paperwork Reduction Act, HUD highlights some of the additional, most substantive, changes made to the healthcare facility documents (documents) in response to public comment as provided below.

II. Summary of Changes to Documents

The changes to the healthcare facility documents include both technical editorial changes and some more substantive changes. This notice does not provide a detailed summary of all of the changes made or responses to all of the issues raised in the final set of public comments on the 30-Day and 15-Day Notices. Rather, the discussion in the following sections of this notice highlights certain changes which are representative of the types of changes made in response to some of the more significant issues raised by the commenters in response to the 30-Day and 15-Day Notices.

A. Key Changes by Category of Document

Throughout the documents, language was added to make the forms work when there is a master lease without having to change the form, as was required in the past. Unnecessary possessives with the use of apostrophes and brackets were removed. For consistency throughout all of the documents, the word Secretary was replaced with HUD or U.S. Department of Housing and Urban Development. Edits suggesting reformatting were, in most cases, adopted by HUD.

1. Underwriting Lender Narratives

The lender narratives were not significantly changed after the 30-Day and 15-Day Notice. Based on public comments, the Lender Narratives were amended to reflect several edits to key questions for clarity and to reflect the changing regulatory environment.

2. Consolidated Certifications

HUD made a few substantive changes since the 60-Day Notice. As noted by several commenters, more drop-down menus were inserted for consistency with the document formatting style. These certifications received some public comments primarily for formatting and a few substantive suggested changes in terminology. HUD also amended language in the section pertaining to suits and legal actions. The updated language provides clarification to legal actions beyond professional liability actions. This change addresses comments received on the Request for Endorsement of Credit of Lender [and] Borrower [& General Contractor] which HUD accepted but was addressed in the

Consolidated Certifications rather than in the Request for Endorsement of Credit of Lender [and] Borrower [& General Contractor] document.

3. Construction Documents

There were few public comments on this category of documents, and the majority of changes to the documents were for minor editing changes or clarifications of policy.

4. Underwriting Documents

HUD received a few comments which consisted of formatting and minor editing suggestions. The Operator Lease Addendum was revised to correctly reference the new Cross-Default Guaranty for Portfolios.

5. Accounts Receivable Documents

One commenter proposed multiple technical edits which were accepted.

6. Master Lease Documents

HUD received comments requesting technical edits to the Master Lease documents. Commenter noted that landlords should have the right to increase rents without prior HUD approval. As provided in response to another commenter, HUD acknowledges that the Borrower Regulatory Agreement does not place requirements for prior HUD approval for increases in rents. One commenter did note that the form HUD -91116-ORCF should be amended to reflect that the Borrower Regulatory Agreement only requires prior HUD approval when reducing the rents in the lease. HUD accepted the comment and revised this document and related documents where the provision as to whether HUD approval was needed for increases in rents was unclear. Another commenter voiced concern that landlords could unilaterally raise rents on third party operators and master tenants. To address this concern, HUD inserted additional language to address the concerns of third-party operators.

7. Closing Documents

Some technical edits from commenters were accepted by HUD throughout this category.

8. Escrow Documents

The comments consisted of technical edits to the Escrow Agreement for Debt Service Reserve and the Escrow Agreement for Operating deficits.

9. Legal Opinion/Certification Documentation

Several commenters asked for clarification on the scope of docket searches being requested. HUD responded by revising the form to

clarify the jurisdictions and the participants that need to be searched.

10. Asset Management Documents

Few comments were received on this category of documents. However, one commenter noted some inconsistencies in the Computation of Surplus Cash form which was addressed by revising the language. One substantive change was made to form HUD-92266-ORCF Lender Narrative, Change of Ownership Review, to streamline transactions. Applicants no longer have to try and determine if a transaction is a Full, Modified, or Light review when there is a change of ownership. Instead, this form consolidates Full, Modified or Light Lender Narratives into one form with Transaction Determination Questions

which will identify which documents they should submit from the checklist and which sections of the Lender Narrative they should complete.

11. 241a Supplemental Documents

This category of documents was entirely new to the initial Collection. Commenter made technical edits to these supplemental loan documents similar to those made on the main (underlying) loan documents. The edits HUD accepted were made to maintain consistency with the main (underlying) document and the related 241a Supplemental Loan documents.

III. Estimated Burden Hours of Collection

The following is a table of all the documents for which approval under the PRA was sought, with the burden hours and costs to respondents calculated for preparation of and submission of each of documents as well as the total aggregate annual cost of \$2,952,596.06.

Dated: June 27, 2019.

John L. Garvin,

General Deputy Assistant Secretary for Housing.
