

preclude the issuance of the limited exclusion order and cease and desist order. Finally, the Commission has determined that the bond for importation during the period of Presidential review shall be in the amount of three percent of the entered value of the imported subject articles of MSi Lighting.

The parties also have several pending motions and requests. On February 6, 2019, Complainants moved to amend the complaint and notice of investigation to reflect a corporate name change, as Philips Lighting North American Corporation changed its name to Signify North America Corporation and Philips Lighting Holding B.V. changed its name to Signify Holding B.V. No party opposed the motion. The Commission grants Complainants' motion for good cause shown. The term "Complainants" refers to both Signify North America Corporation and Signify Holding B.V., as well as their previous names, Philips Lighting North American Corporation and Philips Lighting Holding B.V.

On May 7, 2019, Respondents filed a letter stating that Complainants inappropriately attached a version of an expert witness statement that contains stricken material and that was not admitted into evidence. The Commission clarifies that it has relied upon only the version of the expert witness statement that was admitted into evidence.

On May 23, 2019, Respondents filed a letter requesting to conduct post-hearing discovery concerning alleged perjury based on statements that occurred nine months earlier during the evidentiary hearing on August 20, 2018. On May 31, 2019, Complainants filed a letter in response. The Commission denies Respondents' tardy request for post-hearing discovery for failure to establish an adequate basis for their requested relief.

Accordingly, the Commission has determined that Complainants have failed to show a violation of section 337 by Respondents with respect to the '399, '559, and '554 patents. The Commission has also determined to issue a limited exclusion order and a cease and desist order against MSi Lighting pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)). The Commission's determinations are explained more fully in the accompanying Opinion. All other findings in the ID under review that are consistent with the Commission's determinations are affirmed.

The Commission's notice, orders, and opinion were delivered to the President and to the United States Trade Representative on the day of their

issuance. The Commission has also notified the Secretary of the Treasury and Customs and Border Protection of the order. The investigation is hereby terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210). By order of the Commission.

Issued: July 1, 2019.

Lisa Barton,

Secretary to the Commission.

1. *Type of Information Collection:* Extension of a currently approved collection.
2. *The Title of the Form/Collection:* Application Form for the U.S. Victims of State Sponsored Terrorism Fund.
3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: N/A. The U.S. Victims of State Sponsored Terrorism Fund, U.S. Department of Justice, Criminal Division.
4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

The U.S. Victims of State Sponsored Terrorism Fund ("USVSST Fund") was established to provide compensation to certain individuals who were injured as a result of acts of international terrorism by a state sponsor of terrorism. Under the Justice for United States Victims of State Sponsored Terrorism Act ("Act"), 34 U.S.C. 20144(c), an eligible claimant is (1) a U.S. person, as defined in 34 U.S.C. 20144(j)(8), with a final judgment issued by a U.S. district court under state or federal law against a state sponsor of terrorism and arising from an act of international terrorism, for which the foreign state was found not immune under provisions of the Foreign Sovereign Immunities Act, codified at 28 U.S.C. 1605A or 1605(a)(7) (as such section was in effect on January 27, 2008); (2) a U.S. person, as defined in 34 U.S.C. 20144(j)(8), who was taken and held hostage from the United States Embassy in Tehran, Iran, during the

period beginning November 4, 1979, and ending January 20, 1981, or the spouse and child of that U.S. person at that time, and who is also identified as a member of the proposed class in case number 1:00–CV–03110 (EGS) of the United States District Court for the District of Columbia; or (3) the personal representative of a deceased individual in either of those two categories.

The information collected from the USVSST Fund's Application Form will be used to determine whether applicants are eligible for compensation from the USVSST Fund, and if so, the amount of compensation to be awarded. The Application Form consists of parts related to eligibility and compensation. The eligibility parts seek the information required by the Act to determine whether a claimant is eligible for payment from the USVSST Fund, including information related to: Participation in federal lawsuits against a state sponsor of terrorism under the Foreign Sovereign Immunities Act; being taken and held hostage at the U.S. Embassy in Tehran, Iran, from the period beginning November 4, 1979, and ending January 20, 1981; or being spouses and children of such hostages. The compensation parts seek the information required by the Justice for Victims of State Sponsored Terrorism Act to determine the amount of compensation for which the claimant is eligible. Specifically, the compensation parts seek information regarding any payments from sources other than the USVSST Fund that the claimant received, is entitled to receive, or is scheduled to receive, as a result of the act of international terrorism by a state sponsor of terrorism and the amount of compensatory damages awarded the claimant in a final judgment.

5. *An estimate of the total number of applicants and the amount of time estimated for an average applicant to respond:* It is estimated that 700 respondents may complete the Application Form. It is estimated that respondents will complete the paper form or the electronic form in an average of 1.5 hours.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated public burden associated with this collection is 1,050 hours.
