SUPPLEMENTARY INFORMATION:

I. Background

On June 6, 2019, PHMSA published a notice announcing the availability of a draft environmental assessment for public review. Specifically, PHMSA received a request for a special permit from Energy Transport Solutions, LLC seeking authorization to transport

“Methane, Refrigerated Liquid” (UN1972), commonly known and liquefied natural gas (LNG), in a rail tank car. The request is to authorize shipment of LNG in a DOT specification 113C120W tank car subject to certain operational conditions. We invited interested persons to review and provide comment on the “draft environmental assessment” for this special permit request; and to include relevant information on potential safety, environmental, and any additional impacts that should be considered. PHMSA has also included the draft special permit in the docket for this notice as further reference material. The notice, draft environmental assessment, and draft special permit are available for review at <http://www.regulations.gov> under Docket number PHMSA-2019-0100.

II. Comment Period Extension

PHMSA is granting a request to extend the comment period. The request was received from two members of Congress.¹ PHMSA initially provided a 30-day comment period to the notice, which ends on July 8, 2019. The comment period is being extended 30 days. The comment period will now close on August 7, 2019. This will allow PHMSA to seek additional review and public input on this issue.

III. Additional Docket Materials

PHMSA is also using this comment period extension notice to make the public aware of additional documents submitted to the docket and available for public review:

1. An updated draft Environmental Assessment.
2. The Energy Transport Solutions, LLC Quantitative Risk Assessment (QRA).
3. The Energy Transport Solutions, LLC special permit application (in redacted form).

Issued in Washington, DC, on July 3, 2019, under authority delegated in 49 CFR part 1.97.

Title: Disclosure and Reporting of CRA-Related Agreements.

OMB Control No.: 1557–0219.

Description: National banks, federal savings associations, and their affiliates occasionally enter into agreements with nongovernmental entities or persons (NGEPs) that are related to their Community Reinvestment Act (CRA) responsibilities. Section 48 of the Federal Deposit Insurance Act (FDI Act)² requires disclosure of certain of these agreements and imposes related reporting requirements on insured depository institutions (IDIs), their affiliates, and NGEPs. As mandated by the FDI Act, the OCC, the Federal Deposit Insurance Corporation, and the Board of Governors of the Federal Reserve System issued regulations to implement these disclosure and reporting requirements. The disclosure and reporting provisions of these regulations constitute collections of information under the PRA. The regulation issued by the OCC is codified at 12 CFR 35 and is known as the “CRA Sunshine” regulation.

Section 48 of the FDI Act applies to written agreements that: (1) Are made in fulfillment of the CRA; (2) involve funds or other resources of an IDI or affiliate with an aggregate value of more than \$10,000 in a year or loans with an aggregate principal value of more than \$50,000 in a year;³ and (3) are entered into by an IDI or affiliate and an NGEP.⁴

Under section 48, the parties to a covered agreement must make the agreement available to the public and the appropriate agency.⁵ This section also requires the parties to file a report annually with the appropriate agency concerning the disbursement, receipt, and use of funds or other resources under the agreement.⁶ The collections of information in CRA Sunshine regulation implement these statutorily mandated disclosure and reporting requirements. The parties to the agreement may request confidential treatment of proprietary and confidential information in an agreement or annual report and may withhold from public disclosure confidential or proprietary information in an agreement.⁷

² 12 U.S.C. 1831y.

³ The definition includes groups of substantially related agreements that satisfy these amounts in the aggregate.

⁴ 12 U.S.C. 1831y(e).

⁵ 12 U.S.C. 1831y(a).

⁶ 12 U.S.C. 1831y(b)–(c).

⁷ 12 CFR 35.6(b)(2), 35.8; see 12 U.S.C. 1831y(h)(2)(A).

The information collections are found in 12 CFR 35.4(b); 35.6; and 35.7 and they require:

- IDIs or affiliates to notify NGEPs that are parties to certain agreements that these are agreements with a CRA affiliate;
- NGEPs and IDIs or their affiliates to make a copy of a covered agreement available to any individual or entity upon request;
- NGEPs to provide a copy of the covered agreement within 30 days of receiving a request from the relevant supervisory agency;
- Each IDI and affiliate to provide each relevant supervisory agency with a copy of each covered agreement or a list of all covered agreements entered into during the calendar quarter, within 60 days of the end of each calendar quarter;⁸ and
- Annual reporting.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals; Businesses or other for-profit.

Estimated Number of Respondents: 13 (7 IDIs; 6 NGEPs).

Number of Agreements: 237.

Number of Annual Reports: 9.

Estimated Total Annual Burden: 527.

On March 29, 2019, the OCC issued a notice for 60-day of comment concerning this collection, 84 FR 12032. The OCC received one comment from a trade association. The commenter first urged a repeal of section 48 of the FDI Act (12 U.S.C. 1831y), arguing that the statute imposes a burdensome and costly reporting regime that inhibits IDIs interested in working with NGEPs. The commenter cited a Federal Financial Institutions Examination Council (FFIEC) report to Congress, which stated that section 48’s reporting requirements are unduly burdensome.⁹ The commenter also noted that examination teams rarely request information related to covered agreements, despite the resources required to properly report them.

The commenter also requested two revisions to the OCC’s regulation. First, the commenter requested that the OCC eliminate the quarterly reporting requirement, which the commenter believes is more burdensome than the annual reporting required by the statute. The commenter stated that the FFIEC

⁸ If providing a list of covered agreements, the IDI or affiliate must provide a copy and public version of any agreement referenced in the list to any relevant supervisory agency within seven calendar days of receiving a request from the agency.

⁹ FFIEC *Joint Report to Congress: Economic Growth and Regulatory Paperwork Reduction Act*, 53–54, available at <https://www.occ.gov/news-issuances/news-releases/2017/nr-ia-2017-33a.pdf>.

¹ On March 29, 2019, the OCC published a 60-day notice for this information collection, 84 FR 12032.

had considered eliminating the quarterly reporting requirement, citing the same FFIEC report to Congress. Second, the commenter recommended that the OCC limit the regulation's applicability to legally binding, written contracts, rather than applying it to agreements that reflect a mutual understanding and some oral communications. The commenter argued that the existing approach increases burden and obstructs activity in low- and moderate-income communities.

The OCC appreciates the information provided by the commenter. However, to the extent the commenter disagrees with the scope or requirements of section 48 or the OCC's implementing regulation, the OCC cannot repeal the statute, nor can it revise the regulation through the PRA renewal process.

Comments continue to be invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the information collection burden;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: July 2, 2019.

Deputy Chief Counsel, Office of the Comptroller of the Currency.
