### Risk Management Agency

*Title:* Multiple Peril Crop Insurance.  
*OMB Control Number:* 0563-0053.

*Summary of Collection:* Previous amendments to the Federal Crop Insurance Act expanded the role of the crop insurance program to be the principal tool for risk management by producers of farm products and provided that crop insurance program operate on an actuarially sound basis, provided for independent review of crop insurance products by person experienced as actuaries and in underwriting, and required that the crop insurance program operate on an actuarially sound basis. The Agricultural Act of 2014 (2014 Farm Bill) strengthens crop insurance by providing more risk management options for farmers and ranchers and by making crop insurance more affordable for beginning farmers. It continues the growth of the crop insurance program, new crop products developed, provides avenues to expand farm safety net options for organic producers and specialty crop producers, and new insurance concepts studied for possible implementation. Federal Crop Insurance Corporation (FCIC) offers a Standard Reinsurance Agreement to eligible crop insurance companies under which FCIC will use data elements instead of standards forms.

*Need and Use of the Information:* FCIC requires crop acreage information to be submitted to the insurance agent by each producer on or before a specific date. The basic provision covers information such as the name of the crop, the number of timely planted acres, person sharing in the crop, location of the acreage, etc. This information is used to determine liability, premium and subsidy. Federal agencies, Risk Management Agency, crop insurance companies that are reinsured by FCIC, and other agencies that require such information in the performance of their duties may use this information. If the information were not collected by specified dates, the producers may not have insurance coverage or the amount of insurance may be reduced and the crop insurance

program would not be administered in an actuarially sound manner.

*Number of Respondents:* 547,385.

*Frequency of Responses:*

Recordkeeping; Reporting: Quarterly; Weekly; Semi-annually; Monthly; Annually.
