

and design of the Stem Cell Therapeutic Outcomes Database.

At the request of the Secretary, ACBSCT also reviews and advises on issues relating more broadly to the field of blood stem cell transplantation, such as regulatory policy pertaining to the compatibility of international regulations, and actions that may be taken by the state and federal governments and public and private insurers to increase donation and access to transplantation. ACBSCT also makes recommendations regarding research on emerging therapies using cells from bone marrow and cord blood. The Council may meet up to three times during the fiscal year.

Nominations: HRSA is requesting nominations for voting members to serve as Special Government Employees (SGEs) on ACBSCT. The Council shall consist of up to 25 members, who are SGEs, and 6 ex-officio, non-voting members. The Secretary appoints ACBSCT SGEs with the expertise needed to fulfill the duties of the Council. HRSA is seeking nominees to serve as members from the following areas: Outstanding authorities and representatives of marrow donor centers and marrow transplant centers; representatives of cord blood banks and participating birthing hospitals; recipients of bone marrow transplants; recipients of cord blood transplants; persons who require such transplants; family members of such a recipient or family members of a patient who has requested the assistance of the Program in searching for an unrelated donor of bone marrow or cord blood; persons with expertise in bone marrow and cord blood transplantation; persons with expertise in typing, matching, and transplant outcome data analysis; persons with expertise in the social sciences; basic scientists with expertise in the biology of adult stem cells; ethicists; hematology and transfusion medicine researchers with expertise in adult blood stem cells; persons with expertise in cord blood processing; and members of the general public. Interested applicants may self-nominate or be nominated by another individual or organization.

Individuals selected for appointment to ACBSCT will be invited to serve for a term of two years, and are eligible to serve as many as three consecutive 2-year terms. SGEs receive a stipend and reimbursement for per diem and travel expenses incurred for attending ACBSCT meetings and/or conducting other business on behalf of the Council, as authorized by 5 U.S.C. 5703 of the Federal Travel Regulation for persons

employed intermittently in government service.

The following information must be included in the package of materials submitted for each individual being nominated for consideration: (1) A letter of nomination stating the name, affiliation, and contact information for the nominee, the basis for the nomination (*i.e.*, what specific attributes, perspectives, and/or skills does the individual possess that would benefit the workings of ACBSCT), and the nominee's field(s) of expertise; (2) a biographical sketch of the nominee; (3) the name, address, daytime telephone number, and email address at which the nominator can be contacted; and (4) a current copy of the nominee's curriculum vitae. Nomination packages may be submitted directly by the individual being nominated or by the person/organization recommending the candidate.

HHS endeavors to ensure that ACBSCT membership is balanced in terms of points of view represented and that individuals from a broad representation of geographic areas, gender, and ethnic and minority groups, as well as individuals with disabilities, are considered for membership. Appointments shall be made without discrimination on the basis of age, ethnicity, gender, sexual orientation, or cultural, religious, or socioeconomic status.

Individuals who are selected to be considered for appointment will be required to provide detailed information regarding their financial holdings, consultancies, and research grants or contracts. Disclosure of this information is required for HRSA ethics officials to determine whether there is a conflict between the SGE's public duties as a member of ACBSCT and their private interests, including an appearance of a loss of impartiality as defined by federal laws and regulations, and to identify any required remedial action needed to address the potential conflict.
