SUPPLEMENTARY INFORMATION:**Background**

On July 12, 2018, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on certain carbon and alloy steel cut-to-length plate from France for one company, Industeel France S.A.S (Industeel).² In November 2018, we extended the preliminary results of this review to no later than May 31, 2019.³ Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 28, 2019.⁴ Accordingly, the revised deadline for the preliminary results of this review is now July 10, 2019. For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (a)(2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

The signed and electronic versions of the Preliminary Decision Memorandum are identical in content. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that a weighted-average dumping margin of 5.29 percent exists for Industeel for the period November 14, 2016 through April 30, 2018.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁵ Interested parties may submit case briefs to Commerce no later than 30 days after the date of publication of this notice.⁶ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the time limit for filing case briefs.⁷ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.⁸ Case and rebuttal briefs should be filed using ACCESS.⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹⁰ Hearing

requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S.

Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.¹¹

An electronically-filed document must be received successfully in its entirety by ACCESS by 5 p.m. Eastern Time on the established deadline.

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless otherwise extended.¹²

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.¹³

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. We intend to instruct CBP to take into account the "provisional measures deposit cap," in accordance with 19 CFR 351.212(d). The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Commerce's "reseller policy" will apply to entries of subject merchandise during the period of review produced by Industeel for which Industeel did not know that the merchandise it sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate

if there is no rate for the intermediate company(ies) involved in the transaction.¹⁴

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Industeel will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.15 percent, the all-others rate established in the LTFV investigation.¹⁵ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the

On July 12, 2018, based on timely requests for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on certain carbon and alloy steel cut-to-length plate from Taiwan.² This review covers 19 producers and/or exporters of subject merchandise. Preliminary Determination of No Shipments

Among the companies under review,⁵ China Steel Corporation (CSC), Chun Chi Grating Co., Ltd. (Chun Chi), and Product Depot International Corp. (Product Depot) properly filed statements that they had no shipments of subject merchandise to the United States during the POR.⁶ Based on their certifications and our analysis of U.S. Customs and Border Protection (CBP) information, we preliminarily determine that CSC, Chun Chi, and Product Depot had no reviewable transactions during the POR. Consistent with our practice, we are not preliminarily rescinding the review with respect to CSC, Chun Chi, or Product Depot, but, rather, we will complete the review for these companies and issue appropriate instructions to CBP based on the final results of this review.⁷

⁵ Commerce also received a properly-filed no shipments statement from an additional company, Pat & Jeff Enterprise Co., Ltd. However, because we received no request for an administrative review for this company, we have not considered this no shipments statement in this segment of the proceeding.
