Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries.

Pursuant to 19 CFR 351.212(b)(1), where the respondents reported the entered value of their U.S. sales, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales for which entered value was reported. Where the respondents did not report entered value, we calculated the entered value in order to calculate the assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. We intend to instruct CBP to take into account the "provisional measures deposit cap," in accordance with 19 CFR 351.212(d).

For the companies which were not selected for individual review, we will assign an assessment rate based on the average¹⁴ of the cash deposit rates calculated for Industeel and NLMK Belgium, excluding any which are zero, *de minimis* or determined entirely based on adverse facts available. The final results of this review shall be the basis for the assessment of antidumping

¹³ See Section 751(a)(3)(A) of the Act.

¹⁴ This rate was calculated as discussed in footnote 5, above.

duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

Commerce's "reseller policy" will apply to entries of subject merchandise during the POR produced by companies included in these final results of review for which the reviewed companies did not know that the merchandise they sold to the intermediary (e.g., a reseller, trading company, or exporter) was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹⁵

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the exporters listed above will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for companies not participating in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 5.40 percent, the all-others rate established in the LTFV investigation.¹⁶ These deposit requirements, when

Scope of the Order

The products covered by the order are flat-rolled, cold-reduced steel products, regardless of chemistry, whether or not in coils, either plated or coated with nickel or nickel-based alloys and subsequently annealed (*i.e.*, "diffusion annealed"), whether or not painted, varnished or coated with plastics or other metallic or nonmetallic substances from Japan. Products subject to the order are currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7212.50.0000 and 7210.90.6000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.¹

SUPPLEMENTARY INFORMATION:

Background

On July 12, 2018, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on diffusion-annealed, nickel-plated, flat-rolled steel products from Japan.² This review covers two producers and exporters of the subject merchandise. Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

Preliminary Determination of No Shipments

Nippon Steel & Sumitomo Metal Corporation (Nippon Steel) properly filed its certification that it had no shipments of subject merchandise to the United States during the POR.⁵ There is no information on the record which contradicts Nippon Steel's no shipment certification. Therefore, based on the evidence on the record, we preliminarily determine that Nippon Steel had no shipments of subject merchandise to the United States during the POR. Consistent with our practice, we are not preliminarily rescinding the review with respect to Nippon Steel, but, rather, we will complete the review for this company and issue appropriate instructions to U.S. Customs and Border
