

Background: 49 U.S.C. 5310 Enhanced Mobility of Seniors and Individuals with Disabilities Program provides financial assistance for the specialized transportation service needs of elderly persons and persons with disabilities in large urban, small urban and rural areas. Formula funding is apportioned to direct recipients: States for rural (under 50,000 population) and small urban (areas (50,000–200,000); and designated recipients chosen by the Governor of the State for large urban areas (populations or 200,000 or more); or a State or local governmental entity that operates a public transit service. This program is administered by States. The Public Transportation on Indian Reservations Program or Tribal Transit Program (TTP), is authorized as 49 U.S.C. 5311(j). These funds are apportioned directly to Indian tribes. Eligible recipients of TTP program funds include federally recognized Indian tribes, or Alaska Native villages, groups, or communities as identified by the Bureau of Indian Affairs. 49 U.S.C. 5310 and 5311 authorize FTA to review applications for federal financial assistance to determine eligibility and compliance with statutory and administrative requirements. Title: National Transit Database (OMB Number: 2132–0008).

Background: 49 U.S.C. 5335(a) and (b) requires the Secretary of Transportation to maintain a reporting system, using a uniform system of accounts, to collect financial and operating information from the nation's public transportation systems. Congress created the NTD to be the repository of transit data for the nation to support public transportation service planning. FTA has established the NTD to meet these requirements, and has collected data for over 35 years. The NTD is comprised of four modules, Rural, Urban Annual, Monthly, and Safety Event Reporting. FTA continues to seek ways to reduce the burden of NTD reporting. FTA has added upload/download capabilities to the reporting system and greatly reduced the sampling required to certify Automatic Passenger Counters for use in reporting data to the NTD.

Respondents: State or local governmental entities that operates a public transportation service.

Estimated Annual Number of Respondents: 2,334 respondents.

Estimated Annual Number of Responses: 17,766.

Estimated Total Annual Burden:
327,524 hours.
