

of foreign banks (other than federal branches, federal agencies, and insured state branches of foreign banks), commercial lending companies owned or controlled by foreign banks, and organizations operating under section 25 or 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 611 *et seq.*).

Regulation II's fraud-prevention recordkeeping requirements (12 CFR 235.4(b)) and disclosure requirements (12 CFR 235.4(c) and (d)) are required in order for an issuer to obtain a benefit (*i.e.*, to be eligible to receive or charge the fraud-prevention adjustment). Regulation II's general recordkeeping requirements for issuers (12 CFR 235.8(c)) are mandatory. The records and notifications required under sections 235.4(b)–(d) and 235.8(c) of Regulation II are generally not submitted to the Board or the other federal financial regulatory agencies. Accordingly, normally no confidentiality issues arise under the Freedom of Information Act (FOIA) (5 U.S.C. 552). In the event such records or notifications are obtained by the Board through the examination or enforcement process, such information may be kept confidential under exemption 8 of the FOIA, which protects information contained in or related to the examination or supervision of a financial institution (5 U.S.C. 552(b)(8)).

Current actions: On April 8, 2019, the Board published a notice in the **Federal Register** (84 FR 13919) requesting public comment for 60 days on the extension, without revision, of the FR II. The comment period for this notice expired on June 7, 2019. The Board received two comments. After considering the comments received on the proposal, the Board will proceed with the extension, without revision, of the FR II.

Detailed Discussion of Public Comments

Comments were received from an individual and from a group of banking associations. The comment from the individual expressed support of the Dodd-Frank Act, and generally expressed opposition to any relaxation of rules implementing the Dodd-Frank Act. The comment from the group of banking associations supported the Board's proposal to maintain certain current recordkeeping processes while urging the Board to resist requests to reopen Regulation II to avoid further regulatory burden associated with the Durbin Amendment to the Dodd-Frank Act (if any such requests were received). The Board's recommended renewal, without revision, of the existing recordkeeping requirements is

consistent with the views expressed in these comments.

Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Report title: Semiannual Report of Derivatives Activity.

Agency form number: FR 2436.

OMB control number: 7100–0286.

Frequency: Semiannually.

Respondents: Largest U.S. dealers of over-the-counter (OTC) derivatives.

Estimated number of respondents: 8.

Estimated average hours per response: 236.

General description of report: Derivatives dealers provide data on outstanding positions (notional, gross positive, and gross negative fair values) with breakdowns by broad market risk category, product type, counterparty type, maturity, and specific underlying market risks—the currency, equity market, or reference entity that underlie the contract. In addition, reporters provide data on the credit exposures and liabilities arising from all outstanding credit default swaps contracts, as well as from the entire portfolio.

Legal authorization and confidentiality: This report is authorized under sections 2A and 12A of the Federal Reserve Act (FRA). Section 2A of the FRA requires the Federal Reserve Board and the Federal Open Market Committee (FOMC) to maintain long run growth of the monetary and credit aggregates commensurate with the economy's long run potential to increase production, so as to promote effectively the goals of maximum employment, stable prices, and moderate long-term interest rates (12 U.S.C. 225a). Section 12A of the FRA requires the FOMC to implement regulations relating to the open market operations conducted by Federal Reserve Banks with a view to accommodating commerce and business and with regard to their bearing upon the general credit situation of the country (12 U.S.C. 263). Because the Federal Reserve System uses the information obtained from the FR 2436 to fulfill these obligations, these statutory provisions provide the legal authorization for the collection of information on the FR 2436.

The FR 2436 is voluntary. Because the release of this information would cause substantial harm to the competitive position of the entity from whom the information was obtained, the information collected on the FR 2436 may be granted confidential treatment under exemption (b)(4) of the Freedom of Information Act (5 U.S.C. 552(b)(4)),

which protects from disclosure “trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential.”

Current actions: On April 17, 2019, the Board published a notice in the **Federal Register** (84 FR 16015) requesting public comment for 60 days on the extension, without revision, of the FR 2436. The comment period for this notice expired on June 17, 2019. The Board did not receive any comments.

ACTION: Request for public comment.

SUMMARY: The Administration for Children and Families (ACF) within the U.S. Department of Health and Human Services (HHS) seeks an update to the

existing data collection for the Annual Survey of Refugees. The Annual Survey of Refugees is a yearly sample survey of refugee households entering the U.S. in the previous five fiscal years. The requested update is based upon results of a multi-year effort in instrument redesign and field testing. ACF estimates the proposed changes will increase response burden from 30 to 45 minutes per respondent.

DATES: *Comments due within 60 days of publication.* In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: Copies of the proposed collection of information can be obtained and comments may be forwarded by emailing *OPREinfocollection@acf.hhs.gov*. Alternatively, copies can also be obtained by writing to the Administration for Children and Families, Office of Planning, Research, and Evaluation, 330 C Street SW, Washington, DC 20201, Attn: OPRE Reports Clearance Officer. All requests, emailed or written should be identified by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: Data from the Annual Survey of Refugees are used to meet the Office of Refugee Resettlement’s Congressional reporting requirements, as set forth in the Refugee Act of 1980 (Section 413(a) of the Immigration and Nationality Act). The Office of Refugee Resettlement makes survey findings available to the general public and uses findings for the purposes of program planning, policy-making, and budgeting.

The requested update reflects changes to the survey instrument to: Enhance ORR’s understanding of refugees’ resettlement experiences; streamline the collection of household-level information; and improve data reliability and validity.

Respondents: The Annual Survey of Refugees secures a nationally representative sample of refugee households arriving in the United States in the previous five fiscal years.
