Executive Order 13881 of July 15, 2019

Maximizing Use of American-Made Goods, Products, and Materials

By the authority vested in me as President by the Constitution and the laws of the United States of America, and to promote the principles underlying the Buy American Act of 1933 (41 U.S.C. 8301–8305), it is hereby ordered as follows:

Section 1. Policy. (a) As expressed in Executive Order 13788 of April 18, 2017 (Buy American and Hire American), and in Executive Order 13858 of January 31, 2019 (Strengthening Buy-American Preferences for Infrastructure Projects), it is the policy of the United States to buy American and to maximize, consistent with law, the use of goods, products, and materials produced in the United States. To those ends, my Administration shall enforce the Buy American Act to the greatest extent permitted by law.

(b) In Executive Order 10582 of December 17, 1954 (Prescribing Uniform Procedures for Certain Determinations Under the Buy-American Act), President Eisenhower established that materials shall be, for purposes of the Buy American Act, considered of foreign origin if the cost of the foreign products used in such materials constitutes 50 percent or more of the cost of all the products used in such materials. He also established that, in determining whether the bid or offered price of materials of domestic origin is unreasonable or inconsistent with the public interest, the executive agencies shall either (1) add 6 percent to the total bid or offered price of materials of foreign origin, or (2) add 10 percent to the total bid or offered price of materials of foreign origin less certain specified costs as follows. Where the foreign bid or offer is less than \$25,000, applicable duty is excluded from the calculation. Where the foreign bid or offer is more than \$25,000, both applicable duty, and all costs incurred after arrival in the United States, are excluded from the calculation.

(c) The policies described in section 1(b) of this order were adopted by the Federal Acquisition Regulatory Council (FAR Council) in the Federal Acquisition Regulation (FAR), title 48, Code of Federal Regulations. The FAR should be reviewed and revised, as appropriate, to most effectively carry out the goals of the Buy American Act and my Administration's policy of enforcing the Buy American Act to its maximum lawful extent. I therefore direct the members of the FAR Council to consider measures that may better effectuate this policy.

Sec. 2. Proposed Rules. (a) Within 180 days of the date of this order, the FAR Council shall consider proposing for notice and public comment:

- (i) an amendment to the applicable provisions in the FAR that would provide that materials shall be considered to be of foreign origin if:

(A) for iron and steel end products, the cost of foreign iron and steel used in such iron and steel end products constitutes 5 percent or more of the cost of all the products used in such iron and steel end products; or

(B) for all other end products, the cost of the foreign products used in such end products constitutes 45 percent or more of the cost of all the products used in such end products; and

(ii) an amendment to the applicable provisions in the FAR that would provide that the executive agency concerned shall in each instance conduct the reasonableness and public interest determination referred to in sections 8302 and 8303 of title 41, United States Code, on the basis of the following-described differential formula, subject to the terms thereof: the sum determined by computing 20 percent (for other than small businesses), or 30 percent (for small businesses), of the offer or offered price of materials of foreign origin.

(b) The FAR Council shall consider and evaluate public comments on any regulations proposed pursuant to section 2(a) of this order and shall promptly issue a final rule, if appropriate and consistent with applicable law and the national security interests of the United States. The head of each executive agency shall issue such regulations as may be necessary to ensure that agency procurement practices conform to the provisions of any final rule issued pursuant to this order.

Sec. 3. *Effect on Executive Order 10582.* Executive Order 10582 is superseded to the extent that it is inconsistent with this order. Upon the issuance of a final rule pursuant to section 2 of this order, subsections 2(a) and 2(c) of Executive Order 10582 are revoked.

Sec. 4. *Additional Actions.* Within 180 days of the date of this order, the Secretary of Commerce and the Director of the Office of Management and Budget shall, in consultation with the FAR Council, the Chairman of the Council of Economic Advisers, the Assistant to the President for Economic Policy, and the Assistant to the President for Trade and Manufacturing Policy, submit to the President a report on any other changes to the FAR that the FAR Council should consider in order to better enforce the Buy American Act and to otherwise act consistent with the policy described in section 1 of this order, including whether and when to further decrease, including incrementally, the threshold percentage in subsection 2(a)(i)(B) of this order from the proposed 45 percent to 25 percent. The report shall include recommendations based on the feasibility and desirability of any decreases, including the timing of such decreases.

Sec. 5. *General Provisions.* (a) Nothing in this order shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof, including, for example, the authority to utilize non-availability and public interest exceptions as delineated in section 8303 of title 41, United States Code, and 48 CFR 25.103; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.
