Title 38 CFR part 51 State Veterans Homes (SVH) regulations published in the **Federal Register** as final rule on November 28, 2018 (RIN 2900-A088) require the VA to ensure per diem payments are limited to facilities providing high quality care. The information required at time of the VA survey includes the application and justification for medications for a basic rate Veteran; records and reports that SVH management must maintain regarding activities of residents or participants; information relating to whether the SVH meets standards concerning residents' rights and responsibilities prior to admission or enrollment, during admission or enrollment, and upon discharge; the records and reports which SVH management and SVH health care professionals must maintain regarding residents or participants and employees; various types of documents pertaining to the management of the SVH; pharmaceutical records; and staffing documentation.
