[Docket No. FD 36325]

**Spokane, Spangle & Palouse Railway, L.L.C.—Lease and Operation Exemption—Washington State Department of Transportation**

Spokane, Spangle & Palouse Railway, L.L.C. (SSPR), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to lease from the Washington State Department of Transportation (WSDOT) and operate approximately 102.6 miles of rail line (the Lines). SSPR states that the Lines consist of: (1) The Colfax-Moscow Line (a) between milepost 3.0 at Colfax, Wash., and milepost 18.7 at Pullman, Wash., and (b) between milepost 75.9 at Pullman and milepost 84.05 at the Washington-Idaho state line; (2) the Washington, Idaho, and Montana Line between milepost 0.0 at Palouse, Wash., and milepost 3.85 at the Washington state line; and (3) the Palouse and Lewiston Line between milepost 1.0 at Marshall, Wash., and milepost 75.9 at Pullman.<sup>1</sup>

<sup>1</sup> Although SSPR's original submission stated that the Lines are "located in Washington and Idaho,"

SSPR states that it will shortly enter into an agreement with WSDOT to lease the Lines from WSDOT and SSPR will be the operator of the Lines.

According to SSPR, the lease does not contain any provision that prohibits SSPR from interchanging traffic with a third party or limits SSPR's ability to interchange with a third party.

SSPR certifies that its projected revenues as a result of the transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million.

The earliest this transaction may be consummated is August 11, 2019 (30 days after the verified notice of exemption was filed).<sup>2</sup>

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than August 2, 2019 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36325, must be filed with the Surface Transportation Board either via e-filing or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on SSPR's representative, Karl Morell, Karl Morell and Associates, 440 1st Street NW, Suite 440, Washington, DC 20001.

According to SSPR, this action is categorically excluded from environmental review under 49 CFR 1105.6(c) and from historic preservation reporting requirements under 49 CFR 1105.8(b)(1).

Board decisions and notices are available at [www.stb.gov](http://www.stb.gov).

Decided: July 17, 2019.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.

(Verified Notice 1), on July 12, 2019, SSPR filed a supplement clarifying that the Lines are located within the State of Washington and none are located in the State of Idaho.

<sup>2</sup> The date of SSPR's supplement (July 12, 2019) will be considered the filing date for the purposes of calculating the effective date of the exemption.

## **SURFACE TRANSPORTATION BOARD**

[Docket No. FD 36326]

### **Brookfield Asset Management, Inc. and DJP XX, LLC—Control Exemption—Genesee & Wyoming, Inc., et al.**

On July 9, 2019, Brookfield Asset Management, Inc. (Brookfield), and DJP XX, LLC (DJP), filed a verified notice of exemption under 49 CFR 1180.2(d)(2) to allow DJP and Brookfield to control Genesee & Wyoming Inc. (GWI) and the 106 rail carriers that are subject to the jurisdiction of the Board and that GWI controls (GWI Railroads). According to the verified notice, Brookfield is an alternative asset manager, and DJP<sup>1</sup> is a limited liability company specially formed to acquire GWI, which is a publicly-traded non-carrier holding company that controls, through direct or indirect equity ownership, the GWI Railroads. As a result of the proposed transaction, GWI would become a privately-held company and a wholly-owned subsidiary of DJP.

Brookfield and DJP state, among other things, that the proposed transaction falls within the class exemption set forth at 49 CFR 1180.2(d)(2), because (i) the GWI Railroads do not connect with any rail line owned or controlled by DJP or Brookfield;<sup>2</sup> (ii) the proposed transaction is not part of a series of anticipated transactions that would connect any railroad owned or controlled by DJP or Brookfield with any GWI Railroad, or that would connect any of the GWI Railroads with each other; and (iii) the proposed transaction does not involve a Class I carrier. (Verified Notice 2-3.)

The Board is considering the issues presented here, including whether the class exemption is appropriate for this transaction. See 49 U.S.C. 10502(d). To provide sufficient time for the Board to fully consider the issues presented, the exemption that is the subject of this proceeding will not become effective until further order of the Board. See, e.g., *SJRE-R.R. Series—Exemption Under 49 CFR 1150.31—Rail Line in Harris Cty., Tex.*, FD 36279 (STB served Apr. 5, 2019) (to obtain more information, directing that exemption would not become effective until further order of the Board). To the extent this transaction is subject to review by the Committee on Foreign Investment in the United States, Brookfield and DJP will be directed to provide updates regarding the status and outcome of such review.

<sup>1</sup> Brookfield controls DJP within the meaning of 49 U.S.C. 10102(3).

<sup>2</sup> Brookfield and DJP state that neither Brookfield nor DJP owns or controls any railroads or rail lines.

Brookfield and DJP will be directed to provide these updates periodically as appropriate and to provide an update within seven days after they are notified of the outcome of such review. If Brookfield and DJP wish to file these updates confidentially, they may request a protective order.

The Board welcomes comments from the public, as well as from Brookfield and DJP, regarding these and any other relevant issues. Comments are due by August 21, 2019, and replies are due by September 5, 2019.

*It is ordered:*

1. The exemption that is the subject of this proceeding will not become effective until further order of the Board.

2. To the extent this transaction is subject to review by the Committee on Foreign Investment in the United States, Brookfield and DJP are directed to provide updates regarding the status and outcome of such review. Brookfield and DJP are directed to provide these updates periodically as appropriate and to provide an update within seven days after they are notified of the outcome of such review.

3. Comments are due by August 21, 2019, and replies are due by September 5, 2019.

4. Notice of this decision will be published in the **Federal Register**.

5. This decision is effective on its service date.

Decided: July 22, 2019.
