

The additional MDE items are valued at \$24.42 million, resulting in a new MDE value of \$924.42 million, and additional non-MDE items are valued at \$225.574 million, resulting in a total program increase of \$250 million. The total case value will increase to \$1.5 billion.

(iv) *Significance*: This proposed sale of defense articles and services supports Romania's ongoing effort to modernize its armed forces and increase the Army's capacity to counter threats posed by potential attacks. This will contribute to the Romanian's Armed Forces effort to update their capabilities and enhance interoperability with the U.S. and other allies.

(v) *Justification*: This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a NATO ally in developing and maintaining a strong and ready self-defense capability. This proposed sale will enhance U.S. national security objectives in the region.

(vi) *Sensitivity of Technology*: The statement contained in the original AECA 36(b)(1) transmittal applies to the MDE items reported here.

(vii) *Date Report Delivered to Congress*: March 12, 2019
