

Abstract: Title 12 CFR part 715 prescribes the responsibilities of the supervisory committee to obtain an audit of the credit union and verification of member accounts as outlined in Section 115 of the Federal Credit Union Act, 12 U.S.C. 1761d. A supervisory committee audit is required at least once every calendar year covering the period since the last audit and to conduct a verification of members' accounts not less frequently than once every two years.

The information is used by both the credit union and the NCUA to ensure through audit testing that the credit union's assets, liabilities, equity, income, and expenses exist, are properly valued, controlled and meet ownership, disclosure and classification requirements of sound financial reporting. A written report on the audit must be made to the board of directors and, if requested, NCUA. Working papers must be maintained and made available to NCUA. Independence requirements must be met; standards governing verifications and the methods used to verify member's passbooks and accounts are set forth. Section 741.202 makes these requirements applicable to federally insured state-chartered credit unions.

Title: Production of Non-public Records and Testimony of Employees in Legal Proceedings (Touhy Request).

Type of Review: Extension of a currently approved collection.

Abstract: 12 CFR part 792, subpart C requires anyone requesting NCUA non-public records for use in legal proceedings, or similarly the testimony of NCUA personnel, to provide NCUA with information regarding the requester's grounds for the request. This process is also known as a "Touhy Request". The information collected will help NCUA decide whether to release non-public records or permit employees to testify in legal proceedings. NCUA regulations also require an entity or person in possession

of NCUA records to notify the NCUA upon receipt of a subpoena for those records. The NCUA requires this notice to protect its records and, when necessary, intervene in litigation or file an objection to the disclosure of its confidential information in the appropriate court or tribunal.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated No. of Respondents: 20.

Estimated Annual Frequency: 1.

Estimated Annual Number of Responses: 20.
