SUPPLEMENTARY INFORMATION: ACBSCT provides advice and recommendations to the Secretary of HHS (Secretary) and the HRSA Administrator on the activities of the C.W. Bill Young Cell Transplantation Program and the National Cord Blood Inventory Program. The principal purpose of these programs is to make blood stem cells from adult donors and cord blood units available for patients who need a transplant to treat life-threatening conditions such as leukemia, and who lack a suitably matched relative who can be the donor.

During the September 10, 2019, meeting, ACBSCT will discuss issues related to utilization of cord blood for transplant and utilization of blood stem cells in cellular therapies. Agenda items are subject to change as priorities dictate. Refer to the ACBSCT website for any updated information concerning the meeting.

Members of the public will have the opportunity to provide comments. Public participants may submit written statements in advance of the scheduled meeting. Oral comments will be honored in the order they are requested and may be limited as time allows. Requests to submit a written statement or make oral comments to ACBSCT must be sent to Robert Walsh, DFO, using the contact information above at least three business days before the meeting.

Individuals who plan to participate in the webinar and need special assistance or other reasonable accommodations should notify Robert Walsh at the address and phone number listed above at least 10 business days before the meeting.

Maria G. Button,

Director, Division of the Executive Secretariat.
