interest in the applicant ("Disclosable Interest Holders''); and (2) All FCCregulated entities in which the filer or any of its Disclosable Interest Holders owns a 10 percent or greater interest. The data collected on the FCC Form 602 includes the FCC Registration Number (FRN), which serves as a "common link" for all filings an entity has with the FCC. The Debt Collection Improvement Act of 1996 requires that entities filing with the Commission use an FRN. The FCC Form 602 was designed for, and must be filed electronically by, all licensees that hold licenses in auctionable services.

The FCC Form 602 is comprised of the Main Form containing information regarding the filer and the Schedule A is used to collect ownership data pertaining to the Disclosable Interest Holder(s). Each Disclosable Interest Holder will have a separate Schedule A.

Thus, a filer will submit its FCC Form 602 with multiple copies of Schedule A, as necessary, to list each Disclosable Interest Holder and associated information.
