6. PP 9F8747. (EPA-HQ-OPP-2019-0230). Valent U.S.A. LLC, P.O. Box 8025, Walnut Creek, CA 94596-8025, requests to establish a tolerance in 40 CFR part 180 for residues of the fungicide, ethaboxam ((*RS*)-*N*-(α -cyano-2-thenyl)-4-ethyl-2-(ethylamino)-1,3-thiazole-5-carboxamide) in or on beet, sugar, root at 0.01 parts per million (ppm). The analytical method uses high-performance liquid chromatography (HPLC) with tandem mass spectrometry (LC/MS-MS), with turbo-ion spray ionization in positive ion mode for ethaboxam and metabolites EEO, and negative ion mode for EEHO. A linear forced-origin calibration curve was used to quantify ethaboxam in the sample extracts. Contact: RD.

Authority: 21 U.S.C. 346a.

Dated: July 10, 2019.

Delores Barber,

Director, Information Technology and Resources Management Division, Office of Pesticide Programs.

RIN 0991-AB16

Withdrawal of Proposed Rule “Medicare and State Health Care Programs: Fraud and Abuse; Safe Harbor Under the Anti-Kickback Statute for Waiver of Beneficiary Coinsurance and Deductible Amounts”

AGENCY: Office of Inspector General (OIG), Department of Health and Human Services (HHS).

ACTION: Withdrawal of Proposed Rule.

SUMMARY: This document informs the public that OIG has determined not to pursue a proposed rule published in the **Federal Register** and, as a result, is withdrawing it. OIG is taking this action to avoid any confusion that could be caused by having this proposal in the public domain.

DATES: The Proposed Rule described under **SUPPLEMENTARY INFORMATION** is withdrawn as of August 1, 2019.

ADDRESSES: Office of Counsel to the Inspector General, Cohen Building, 330 Independence Ave. SW, Washington, DC 20201.

FOR FURTHER INFORMATION CONTACT:

Aaron Zajic, Supervisory Project Manager, Office of Counsel to the Inspector General, Cohen Building, 330 Independence Ave. SW, Washington, DC 20201, 202-619-0335.

SUPPLEMENTARY INFORMATION:

I. Background

A. *OIG’s Review of Proposed Rules*

Executive Order 13777, entitled “Enforcing the Regulatory Reform Agenda” (82 FR 12285), instructs agencies to review regulations which should be repealed, replaced, or modified. As a result of a review undertaken after the issuance of Executive Order 13777, OIG identified a Proposed Rule (described below), which we do not intend to finalize. Accordingly, OIG is withdrawing the Proposed Rule from the **Federal Register**.

B. *OIG’s Withdrawal of the Proposed Rule*

The Proposed Rule that OIG is withdrawing was published in 2002. OIG neither applied nor enforced the position stated therein, nor does it now intend to do so. If OIG were to finalize this proposal, we would require updated comments from the public, as reimbursement methods and other aspects of the healthcare industry have changed in the interim. As a result, OIG is withdrawing the following Proposed Rule to eliminate any confusion that could result from its presence in the public domain:

The Proposed Rule, Medicare and State Health Care Programs: Fraud and Abuse; Safe Harbor Under the Anti-Kickback Statute for Waiver of Beneficiary Coinsurance and Deductible Amounts (67 FR 60202, September 25, 2002), would have expanded an existing safe harbor at 42 CFR 1001.952(k) to include waivers of cost sharing amounts for Part A and B services for holders of Medicare SELECT policies (a type of Medicare supplement (Medigap) plan).

II. Regulatory Impact

We expect minimal regulatory impact and reaction because of the passage of time since the Proposed Rule was published and because, to our knowledge, the public is not currently relying on, and may be unaware of, it.

Joanne M. Chiedi,

Acting Inspector General.

Dated: July 25, 2019.

Alex M. Azar II,

Secretary.
