

safety certification mark also indicates that the product will be compliant with the CPSC mandatory requirements for household refrigerators.

C. Statement of Enforcement Policy

The Commission is exercising the following enforcement discretion: Effective August 2, 2019, the Commission will not pursue compliance or enforcement actions against manufacturers, importers or private labelers of household refrigerators for failure to issue, provide, or make available to the Commission a GCC, as required by 15 U.S.C. 2063(a)(1), provided that the product bears an appropriate safety certification mark indicating compliance with UL Standard 60335-2-24. Household refrigerators must still comply with all requirements under the RSA and 16 CFR part 1750. Failure to comply with the RSA and 16 CFR part 1750 will still subject the products to enforcement action.

This statement of policy, and the enforcement discretion described here, is limited to certificates required for the RSA and 16 CFR part 1750. If a household refrigerator does not bear an appropriate safety mark indicating compliance with UL Standard 60335-2-24, none of this policy, the enforcement discretion described in this policy, nor the implications of such enforcement discretion shall apply. Any misrepresentation or omission regarding a household refrigerator bearing a safety mark indicating compliance with UL Standard 60335-2-24 could subject the firm to compliance or enforcement action and potential civil and/or criminal penalties. Should the Commission become aware of unsafe products entering the market as a result of this statement of policy, it reserves the right to withdraw the policy prospectively with no less than 90 days' notice. This policy is not a binding rule and does not change any person's right, duties, or obligations under any statutes administered by the CPSC.

Alberta E. Mills,

Secretary, Consumer Product Safety Commission.

Legal Assistance

AGENCY: Department of the Navy, Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule removes Department of the Navy (DON) regulations concerning Legal Assistance. Removal is appropriate because the regulation does not affect how the public engages the DON regarding legal assistance and does not place obligations on the public. The Judge Advocate General (JAG) of the Navy and the Staff Judge Advocate (SJA) to the Commandant of the United States Marine Corps issue internal instructions that establish administration of the DON legal assistance programs within the parameters established by many controlling statutes. These internal instructions do not require publication in the Code of Federal Regulations.

DATES: This rule is effective on August 2, 2019.

FOR FURTHER INFORMATION CONTACT: LT John M. Schwietz at 202-685-4641.

SUPPLEMENTARY INFORMATION: This rule, last updated on April 16, 2004 (69 FR 20541), provides internal guidelines for the operation of the legal assistance program. Current internal guidelines are published in JAG Instruction 5801.2B, "Navy Legal Assistance Program" (available at http://www.jag.navy.mil/library/instructions/5801_2b.pdf).

It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing internal procedures. Additionally, the ultimate statutory authority governing the delivery of military legal assistance services remains in effect at 10 U.S.C. 1044.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review." Therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.
