

Department sponsoring the collection: There is no agency form number for this collection. The applicable component within the Department of Justice is the National Institute of Justice, Office of Justice Programs.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:* Applicants to the NIJ Compliance Testing Program and Testing Laboratories, which are businesses or other for-profit organizations. The purpose of the voluntary NIJ Compliance Testing Program is to provide confidence that equipment used for law enforcement and corrections applications meets minimum published performance requirements. One type of equipment is ballistic body armor. Ballistic body armor models that are determined to meet minimum requirements by NIJ and listed on the NIJ Compliant Products List are eligible for reimbursement through the Ballistic Vest Partnership.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* As of December 31, 2018, approximately 1,250 unique ballistic armor models have been submitted to the NIJ CTP by approximately 300 companies for compliance testing since OMB Number 1121-0321 was issued in 2009. Approximately one third of the companies that submitted armor are not based in the U.S., however only U.S. companies will be considered for the purpose of estimating the burden on the public. Therefore, a total of 200 responses is estimated for the following three forms over several years:

NIJ CTP Applicant Agreement: Estimated 100 responses at 15 minutes every year (and 50 responses per year after that);

NIJ CTP Authorized Representatives Notification: Estimated 100 responses at 15 minutes every year (and 50 responses per year after that);

NIJ CTP Electronic Signature Agreement: Estimated 100 responses at 15 minutes every year (and 50 responses per year after that).

Each time a new armor model is submitted to the NIJ CTP for testing, the following four forms must be completed. Respondents may submit as many armor models as they choose to the NIJ CTP and are therefore not limited to only one response. The number of overall submissions over the past decade roughly translates to 125 unique ballistic armor models tested per year. A fraction of those armors are submitted by companies not based in the U.S., however only U.S. companies will be considered for the purpose of estimating the burden on the public.

Therefore, a total of 100 responses is estimated for the following four forms per year:

NIJ CTP Body Armor Agreement: Estimated 100 responses at 15 minutes every year;

NIJ CTP Body Armor Build Sheet: Estimated 100 responses at 2 hours every year;

NIJ CTP Manufacturing Location Notification: Estimated 100 responses at 15 minutes each every year;

NIJ CTP Listee Notification: Estimated 100 responses at 15 minutes every year; Testing laboratories provide responses to the laboratory agreement form and are therefore considered respondents in this case. There are currently four laboratories that participate in the NIJ CTP. Laboratories renew their status with the NIJ CTP roughly every two years.

NIJ Approved Laboratory Application and Agreement: Estimated 4 responses at 8 hours every two years, or a total of 16 hours on average per year.

6. *An estimate of the total public burden (in hours) associated with the collection:* 366 hours the first year and 328.5 hours per year in subsequent years.

Section 512 of the Employee Retirement Income Security Act of 1974 (ERISA), 88 Stat. 895, 29 U.S.C. 1142, provides for the establishment of an Advisory Council on Employee Welfare and Pension Benefit Plans (the Council), consisting of 15 members appointed by the Secretary of Labor (the Secretary) as follows:

- Three representatives of employee organizations (at least one of whom shall be a representative of an

organization whose members are participants in a multiemployer plan);

- three representatives of employers (at least one of whom shall be a representative of employers maintaining or contributing to multiemployer plans);

- one representative each from the fields of insurance, corporate trust, actuarial counseling, investment counseling, investment management, and accounting; and

- three representatives from the general public (one of whom shall be a person representing those receiving benefits from a pension plan).

No more than eight members of the Council shall be members of the same political party.

Council members must be qualified to appraise the programs instituted under ERISA. Appointments are for three-year terms. The Council's prescribed duties are to advise the Secretary with respect to carrying out his functions under ERISA, and to submit to the Secretary, or his designee, related recommendations. The Council will meet at least four times each year.

The terms of five Council members expire at the end of this year. The groups or fields they represent are as follows:

- (1) Employee organizations;
- (2) employers;
- (3) accounting;
- (4) insurance; and
- (5) the general public.

The Department of Labor is committed to equal opportunity in the workplace and seeks a broad-based and diverse Council.

If you or your organization wants to nominate one or more people for appointment to the Council to represent one of the groups or fields specified above, submit nominations to Larry Good, Council Executive Secretary, Frances Perkins Building, U.S. Department of Labor, 200 Constitution Ave. NW, Suite N-5623, Washington, DC 20210, or as email attachments to good.larry@dol.gov. Nominations must be received on or before September 19, 2019. Please allow three weeks for regular mail delivery to the Department of Labor. If sending electronically, please use an attachment in rich text, Word, or pdf format. Nominations may be in the form of a letter, resolution or petition, signed by the person making the nomination or, in the case of a nomination by an organization, by an authorized representative of the organization. The Department encourages you to include additional supporting letters of nomination. It will not consider self-nominees who have no supporting letters.

Nominations, including supporting letters, should:

- State the person's qualifications to serve on the Council (including any particular specialized knowledge or experience relevant to the nominee's proposed Council position);
- state that the candidate will accept appointment to the Council if offered;
- include which of the five positions (representing groups or fields) you are nominating the candidate to fill;
- include the nominee's full name, work affiliation, mailing address, phone number, and email address;
- include the nominator's full name, mailing address, phone number, and email address;
- include the nominator's signature, whether sent by email or otherwise.

Please do not include any information that you do not want publicly disclosed.

The Department will contact nominees for information on their political affiliation and their status as registered lobbyists. Anyone currently subject to federal registration requirements as a lobbyist is not eligible for appointment. Nominees should be aware of the time commitment for attending meetings and actively participating in the work of the Council. Historically, this has meant a commitment of at least 20 days per year. The Department of Labor has a process for vetting nominees under consideration for appointment.

Signed at Washington, DC, this 26th day of July, 2019.

Preston Rutledge,

Assistant Secretary, Employee Benefits Security Administration.
