Abstract: Office of Management and Budget (OMB) regulations at 5 CFR 1320, which implement the Paperwork Reduction Act of 1995 (Pub. L. 104–131), require that interested members of the public and affected parties have an opportunity to comment on information collection and recordkeeping activities. This notice identifies an information collection activity that the Office of Acquisition and Property Management has submitted to OMB for renewal.

Title 5 of the U.S. Code section 5911 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A–45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Housing (GFH) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, the Department of the Interior, Office of the Secretary, Interior Business Center (on behalf of the Office of Acquisition and Property Management), conducts housing surveys in support of employee housing management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Homeland Security, Justice, Transportation, Health and Human Services, and Veterans Affairs. In this survey, two collection forms are used: OS–2000 covering “Houses—Apartments—Mobile Homes,” and OS–2001 covering “Trailer Spaces.”

This collection of information provides data that is essential for DOI and the other Federal agencies to manage GFH in accordance with the requirements of OMB Circular A–45 (Revised). If this information were not collected from the public, DOI and the other Federal agencies providing GFH would be required to use professional

real estate appraisals of private market rental costs, again, in accordance with OMB Circular A–45.

Title of Collection: Private Rental Survey.

OMB Control Number: 1084–0033.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals/households, businesses and other for-profit institutions.

Total Estimated Number of Annual Respondents: OS–2000: 3,841; OS–2001: 200; Total: 4,041.

Total Estimated Number of Annual Responses: OS–2000: 3,841; OS–2001: 200; Total: 4,041.

Estimated Completion Time per Response: 6 minutes for OS–2000 and 4 minutes for OS–2001.

Total Estimated Number of Annual Burden Hours: 353 hours.

Respondent's Obligation: Voluntary.

Frequency of Collection: Annually.

Total Estimated Annual Nonhour Burden Cost: None.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*)

Director, Office of Acquisition and Property Management.
