The most up-to-date changes to the meeting agenda can be found on the website.

SUPPLEMENTARY INFORMATION: Due to circumstances beyond the control of the Department of Defense (DoD) and the

Designated Federal Officer, the Defense Business Board was unable to provide public notification required by 41 CFR 102-3.150(a) concerning the August 7, 2019 meeting of the Defense Business Board. Accordingly, the Advisory Committee Management Officer for the Department of Defense, pursuant to 41 CFR 102-3.150(b), waives the 15-calendar day notification requirement.

This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) (5 U.S.C., Appendix), the Government in the Sunshine Act (5 U.S.C. 552b), and 41 CFR 102-3.140 and 102-3.150.

Purpose of the Meeting: To obtain, review, and evaluate information related to the Board's mission in advising the Secretary of Defense on overall DoD management and governance on (a) issues central to strategic DoD planning; (b) policy implications of U.S. force structure and force modernization and on DoD's ability to execute U.S. defense strategy; (c) U.S. regional defense policies; and (d) other research and analysis of topics raised by the Secretary of Defense, Deputy Secretary of Defense, or Chief Management Officer (CMO) to allow the Board to provide informed, independent advice reflecting an outside private sector perspective of proven and effective best practices that can be applied to the DoD.

Agenda: The meeting will begin on August 7, 2019 at 7:55 a.m. with opening remarks by Ms. Roma Laster, the Designated Federal Officer, and Mr. Atul Vashistha, Interim Board Chairman. The day's presentations will begin with a series of panel discussions featuring DoD officials and private sector experts that will inform the Board's advice and recommendations to be provided on the CMO's ongoing reform efforts. Panels scheduled are:

—**Human Capital and Talent**

Management Reform Panel with senior executives from Goldman Sachs, Activision, Ernst & Young, and Yale School of Management along with representatives from the Office of the Under Secretary of Defense for Acquisitions and Sustainment, Office of the Under Secretary of Defense for Personnel and Readiness, and the Office of the Deputy Assistant Secretary of Defense for Civilian Personnel Policy.

—**Data Management Strategy Reform Panel** with a senior executive from Activision along with representatives from the Office of the Under Secretary of Defense (Comptroller), DoD's Office of the Chief Information Officer, DoD's Office of the Chief Data Officer, and the Office of CMO Business Systems.

—**Shared Services Reform Panel** with senior executives from PepsiCo and United Parcel Service along with representatives from the Defense Logistics Agency, Defense Counterintelligence and Security Agency, and Washington Headquarters Service. Panel participants will provide information on current issues and challenges, and engage in discussions involving commercial or financial information that is privileged or confidential.

Mr. James Baker, Director, Office of Net Assessment (ONA) and Mr. David Ochmanek will provide a classified briefing on current and future strategic challenges to DoD. The meeting will adjourn at 3:00 p.m.

Meeting Accessibility: In accordance with section 10(d) of the FACA and 41 CFR 102-3.155, the DoD has determined that the Board's meeting will be closed to the public. Specifically, the CMO, after consultation with the DoD Office of General Counsel, has determined in writing that the meeting will be closed as it will consider commercial or financial information obtained from a person that is privileged or confidential covered by 5 U.S.C. 552b(4), as well as classified information covered by 5 U.S.C. 552b(c)(1). The 5 U.S.C. 552b(4) determination is based on the consideration that it is expected panel discussions will involve the sharing of commercial or financial information that is privileged or confidential by the private sector participants. The 5 U.S.C. 552b(c)(1) determination is based on the consideration that the ONA briefing is classified and it is expected that discussions throughout the briefing will involve classified matters of national security concern. Such privileged and proprietary information and classified material are so intertwined with the unclassified material that the sessions cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meeting. To permit the meeting to be open to the public would preclude any substantive discussion of such matters and would serve to greatly diminish the ultimate utility of the Board's findings and recommendations to the Secretary of Defense, the Deputy Secretary of Defense, and to the CMO.

Written Statements: Written comments may be submitted to the Designated Federal Officer via email to mailbox address:

osd.pentagon.odam.mbx.defense-business-board@mail.mil in either Adobe Acrobat or Microsoft Word format. Please note that because the Board operates under the provisions of

the FACA, all submitted comments will be treated as public documents and will be made available for public inspection, including, but not limited to, being posted on the Board's website.

Dated: August 2, 2019.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

DENALI COMMISSION

Denali Commission Fiscal Year 2020 Draft Work Plan

AGENCY: Denali Commission.

ACTION: Notice.

SUMMARY: The Denali Commission (Commission) is an independent Federal agency based on an innovative federal-state partnership designed to provide critical utilities, infrastructure and support for economic development and training in Alaska by delivering federal services in the most cost-effective manner possible. The Commission was created in 1998 with passage of the October 21, 1998 Denali Commission Act (Act). The Act requires that the Commission develop proposed work plans for future spending and that the annual work plan be published in the **Federal Register**, providing an opportunity for a 30-day period of public review and written comment. This **Federal Register** notice serves to announce the 30-day opportunity for public comment on the Denali Commission Draft Work Plan for Federal Fiscal Year 2020 (FY 2020).

DATES: Comments and related material to be received by September 2, 2019.

ADDRESSES: Submit comments to the Denali Commission, Attention: Elinda Hetami, 510 L Street, Suite 410, Anchorage, AK 99501.

FOR FURTHER INFORMATION CONTACT: Elinda Hetami, Denali Commission, 510 L Street, Suite 410, Anchorage, AK 99501. Telephone: (907) 271-3415. Email: ehetemi@denali.gov.

SUPPLEMENTARY INFORMATION:

Background: The Denali Commission's mission is to partner with tribal, federal, state, and local governments and collaborate with all Alaskans to improve the effectiveness and efficiency of government services, to build and ensure the operation and maintenance of Alaska's basic infrastructure, and to develop a well-trained labor force employed in a diversified and sustainable economy.

By creating the Commission, Congress mandated that all parties involved partner together to find new and innovative solutions to the unique infrastructure and economic development challenges in America's most remote communities. Pursuant to the Act, the Commission determines its own basic operating principles and funding criteria on an annual federal fiscal year (October 1 to September 30) basis. The Commission outlines these priorities and funding recommendations in an annual work plan. The FY 2020 Work Plan was developed in the following manner.

- A workgroup comprised of Denali Commissioners and Commission staff developed a preliminary draft work plan.
- The preliminary draft work plan was published on *Denali.gov* for review

by the public in advance of public testimony.

- A public hearing was held to record public comments and recommendations on the preliminary draft work plan.

- Written comments on the preliminary draft work plan were accepted for another ten days after the public hearing.

- All public hearing comments and written comments were provided to Commissioners for their review and consideration.

- Commissioners discussed the preliminary draft work plan in a public meeting and then voted on the work plan during the meeting.

- The Commissioners forwarded their recommended work plan to the Federal Co-Chair, who then prepared the draft work plan for publication in the **Federal Register** providing a 30-day period for public review and written comment. During this time, the draft work plan will also be disseminated to Commission program partners including, but not limited to, the Bureau of Indian Affairs (BIA), the Economic Development Administration (EDA), Department of Agriculture—Rural Utilities Service (USDA/RUS), and the State of Alaska.

- At the conclusion of the **Federal Register** Public comment period Commission staff provides the Federal Co-Chair with a summary of public comments and recommendations, if any, on the draft work plan.

- If no revisions are made to the draft, the Federal Co-Chair provides notice of approval of the work plan to the Commissioners, and forwards the work plan to the Secretary of Commerce for approval; or, if there are revisions the Federal Co-Chair provides notice of modifications to the Commissioners for their consideration and approval, and upon receipt of approval from Commissioners, forwards the work plan to the Secretary of Commerce for approval.

- The Secretary of Commerce approves the work plan.

- The Federal Co-Chair then approves grants and contracts based upon the approved work plan.

FY 2020 Appropriations Summary

The Commission has historically received federal funding from several sources. The two primary sources at this time include the Energy & Water Appropriation Bill ("base" or "discretionary" funds) and an annual allocation from the Trans-Alaska Pipeline Liability (TAPL) fund. The proposed FY 2020 Work Plan assumes the Commission will receive \$15,000,000 of base funds, which is the
