b. The Forest Service will evaluate all applications received by the State Foresters or equivalent Tribal government officials and award grants based on the following criteria:

b. Forest Service must approve any amendments to a proposal or request to reallocate funding within a grant proposal. If negotiations on a selected project fail, the applicant cannot substitute an alternative site.

c. The grant recipient must comply with the requirements in section § 230.8 in the final rule before funds will be released.

After the project has closed, as a requirement of the grant, grant recipients will be required to provide the Forest Service with a Geographic Information System (GIS) shapefile: A digital, vector-based storage format for storing geometric location and associated attribute information, of CFP project tracts and cost share tracts, if applicable.

e. Any funds not expended within the grant period must be de-obligated and revert to the Forest Service.
