

III. Participating in the Public Meeting

Registration: Persons interested in attending this public meeting must register online at <https://promotingeffectivedrugdevelopmentprograms.eventbrite.com> by midnight on October 10, 2019. Please provide complete contact information for each attendee, including name, title, affiliation, address, email, and telephone. Please also indicate whether attendance will be by webcast or in person. Early registration is recommended because seating is limited; therefore, FDA may limit the number of participants from each organization. If registration reaches maximum capacity, FDA will post a notice closing registration at <https://www.fda.gov>.

If you need special accommodations due to a disability, please contact Eithu Lwin (see **FOR FURTHER INFORMATION CONTACT**) no later than October 30, 2019.

Requests for Oral Presentations: During online registration you may indicate if you wish to present. To facilitate agenda development, registrants requesting to present will be contacted to provide information regarding which topics they intend to address and the title of their presentation. We will do our best to accommodate requests to present. Individuals and organizations with common interests are urged to consolidate or coordinate their presentations, and request time for a joint presentation, or submit requests for designated representatives to participate. All requests to make oral presentations must be received by the close of registration on October 10, 2019.

Following the close of registration, we will determine the amount of time allotted to each presenter and the approximate time each oral presentation is to begin, and we will select and notify participants by October 24, 2019. If selected for presentation, registered presenters planning to use an electronic slide deck should submit an electronic copy of their presentation (PowerPoint or PDF), to ONDPublicMTGSupport@fda.hhs.gov with the subject line "Promoting Effective Drug Development Programs: Opportunities and Priorities for FDA's Office of New Drugs" on or before October 31, 2019. If presenters choose not to use a slide deck, they are requested to submit a single slide with their name, affiliation, title of presentation, and contact information. Persons registered to present are encouraged to arrive at the meeting room early and check in at the onsite registration table to confirm their designated presentation time. No

commercial or promotional material will be permitted to be presented or distributed at the public meeting.

Streaming Webcast of the Public Meeting: This public meeting will also be webcast. To join the meeting via the Webcast, visit <https://collaboration.fda.gov/ond110719/>.
