Notice of Lodging of Proposed Consent Decree Under the Oil Pollution Act

On August 6, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of Oregon in the lawsuit entitled *United States v. Cannery Pier Hotel, LLC, and Terry Rosenau solely in his capacity as Personal Representative for the Estate of Robert H. Jacob*, Civil Action No. 19-cv-01217.

The United States brought this action under the Oil Pollution Act of 1990 ("OPA"), 33 U.S.C. 2701, *et seq.*, to recover from defendants Cannery Pier Hotel, LLC, and Terry Rosenau solely in his capacity as Personal Representative for the Estate of Robert H. Jacob, \$994,146.43 in costs and damages incurred by the National Pollution Funds Center of the United States Coast Guard ("the NPFC") for actions undertaken and damages paid by the Coast Guard in response to discharges of oil from a fuel storage tank located under a partially-collapsed pier on the Columbia River in Astoria, Oregon. The Consent Decree resolves the United States' claims against the defendants. Under the Consent Decree, the defendants will pay the NPFC \$994,146.43, which is the full amount of its claim. The United States will, in return, grant the defendants a covenant not to sue under OPA, subject to standard re-openers and reservations of rights.
