OFFICE OF PERSONNEL MANAGEMENT

5 CFR Part 532

RIN 3206-AN87

Prevailing Rate Systems; Redefinition of Certain Appropriated Fund Federal Wage System Wage Areas

AGENCY: Office of Personnel Management.

ACTION: Proposed rule.

SUMMARY: The Office of Personnel Management (OPM) is issuing a proposed rule that would redefine the geographic boundaries of several appropriated fund Federal Wage System (FWS) wage areas for pay-setting purposes. Based on recent reviews of Metropolitan Statistical Area (MSA) boundaries in a number of wage areas, OPM proposes redefinitions affecting the following wage areas: Washington, DC; Hagerstown-Martinsburg-Chambersburg, MD; Detroit, MI; Jackson, MS; Meridian, MS; and Cleveland, OH.

DATES: Send comments on or before September 13, 2019.

ADDRESSES: You may submit comments, identified by docket number and/or Regulatory Information Number (RIN) and title, by the following method:

- *Federal Rulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

All submissions received must include the agency name and docket number or RIN for this document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: Madeline Gonzalez, by telephone at (202) 606-2838 or by email at pay-leave-policy@opm.gov.

SUPPLEMENTARY INFORMATION: OPM is issuing a proposed rule to redefine the geographic boundaries of several appropriated fund FWS wage areas. These changes are based on recommendations of the Federal Prevailing Rate Advisory Committee (FPRAC), the statutory national labor-management committee responsible for advising OPM on matters affecting the pay of FWS employees. From time to time, FPRAC reviews the boundaries of wage areas and provides OPM with recommendations for changes if the Committee finds that changes are warranted.

OPM considers the following regulatory criteria under 5 CFR 532.211 when defining FWS wage area boundaries:

- Distance, transportation facilities, and geographic features;
- Commuting patterns; and
- Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

In addition, OPM regulations at 5 CFR 532.211 do not permit splitting MSAs for the purpose of defining a wage area, except in very unusual circumstances.

The Office of Management and Budget (OMB) defines MSAs and maintains and periodically updates the definitions of MSA boundaries. MSAs are composed of counties and are defined on the basis of a central urbanized area—a contiguous area of relatively high population density. Additional surrounding counties are included in MSAs if they have strong social and economic ties to central counties.

When the boundaries of wage areas were first established in the 1960s, there were fewer MSAs than there are today and the boundaries of the then existing MSAs were much smaller. Most MSAs were contained within the boundaries of a wage area. With each OMB update, MSAs have expanded and in some cases now extend beyond the boundaries of the wage area.

FPRAC recently reviewed several wage areas where boundaries subdivide certain MSAs and has recommended by consensus that OPM implement the changes described in this proposed rule. These changes would be effective on the first day of the first applicable pay period beginning on or after 30 days following publication of the final regulations.

Washington-Arlington-Alexandria, DC-VA-MD-WV MSA

Washington, DC; Calvert, Charles, Frederick, Montgomery, and Prince George's Counties, MD; Alexandria, Fairfax, Falls Church, Fredericksburg, Manassas, and Manassas Park Cities, VA; Arlington, Clarke, Culpeper, Fairfax, Fauquier, Loudoun, Madison, Prince William, Rappahannock, Spotsylvania, Stafford, and Warren Counties, VA; and Jefferson County, WV, comprise the Washington-Arlington-Alexandria, DC-MD-VA-WV MSA.

The Washington-Arlington-Alexandria MSA is split between the Washington, DC, wage area and the Hagerstown-Martinsburg-Chambersburg, MD, wage area. Washington, DC; Charles, Frederick, Montgomery, and Prince George's Counties, MD; Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park Cities, VA; and Arlington, Fairfax, Loudoun, and Prince William Counties, VA, are part of the Washington, DC, survey area. Calvert County, MD; Fredericksburg City, VA; Clarke, Culpeper, Fauquier, Rappahannock, Spotsylvania, Stafford, and Warren Counties, VA; and Jefferson County, WV, are part of the Washington, DC, area of application. Madison County, VA, is part of the Hagerstown-Martinsburg-Chambersburg area of application.

OPM proposes to redefine Madison County to the Washington, DC, area of application so that the entire Washington-Arlington-Alexandria, DC-VA-MD-WV MSA is in one wage area. There are currently 44 FWS employees working in Madison County.

Toledo, OH MSA

Fulton, Lucas, Ottawa, and Wood Counties, OH, comprise the Toledo, OH MSA.

The Toledo MSA is split between the Cleveland, OH, wage area and the Detroit, MI, wage area. Ottawa County is part of the Cleveland area of application while Fulton, Lucas, and Wood Counties are part of the Detroit area of application.

OPM proposes to redefine Ottawa County to the Detroit area of application so that the entire Toledo, OH MSA is in one wage area. There are currently 38 FWS employees working in Ottawa County.

Hattiesburg, MS MSA

Covington, Forrest, Lamar, and Perry Counties, MS, comprise the Hattiesburg, MS MSA.

The Hattiesburg MSA is split between the Jackson, MS, wage area and the Meridian, MS, wage area. Covington County is part of the Jackson area of application. Forrest and Lamar Counties are part of the Meridian survey area while Perry County is part of the Meridian area of application.

OPM proposes to redefine Covington County to the Meridian area of application so that the entire Hattiesburg, MS MSA is in one wage area. There are currently no FWS employees working in Covington County.
