Needs and Uses: This request is for extension of a currently approved information collection. The 1982 Convention on the Conservation of Antarctic Marine Living Resources (Convention) established the Commission for the Conservation of Antarctic Marine Living Resources (CCAMLR). The United States is a Contracting Party to the Convention. The Antarctic Marine Living Resources Convention Act (AMLRCA) directs and authorizes the United States to take actions necessary to meet its treaty obligations as a Contracting Party to the Convention. The regulations implementing AMLRCA are at 50 CFR part 300, subpart G. The record keeping and reporting requirements at 50 CFR part 300 form the basis for this collection of information. This collection of information concerns research in, and the harvesting and importation of, marine living resources from waters regulated by CCAMLR related to ecosystem research, U.S. harvesting permit application and/or harvesting vessel operators and to importers and re-exporters of Antarctic marine living resources. The collection is necessary in order for the United States to meet its treaty obligations as a contracting party to the Convention.

Affected Public: Business or other for profit organizations; not-for-profit institutions; individuals or households.

Frequency: Annually and on occasion.

Respondent's Obligation: Mandatory.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.
