Recommendations should consist of a cover letter recommending the individual and explaining the individual's qualifications to serve on the Task Force, as well as a copy of the individual's resume or curriculum vitae. Self-recommendations are not accepted. If you would like to make a membership recommendation for this federal advisory committee, please send your recommendation to the email address or contact person listed below.

The Task Force provides advice and recommendations on the development and implementation of a program of research that examines violence against Indian women in Indian Country and Alaska Native villages, including domestic violence, dating violence, sexual
