ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2018-0014; FRL-9996-82]

Cancellation Order for Certain Pesticide Registrations and Amendments To Terminate Uses

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's order for the cancellations and amendments to terminate uses, voluntarily requested by the registrants and accepted by the Agency, of the products listed in Table 1, Table 1A, Table 1B, Table 1C, Table 1D, Table 1E and Table 2, pursuant to the Federal

Insecticide, Fungicide, and Rodenticide Act (FIFRA). This cancellation order follows a May 31, 2019 **Federal Register** Notice of Receipt of Requests from the registrants listed in Table 3 of Unit II to voluntarily cancel and amend to terminate uses of certain product registrations. In the May 31, 2019 notice, EPA indicated that it would issue an order implementing the cancellations and amendments to terminate uses, unless the Agency received substantive comments within the 30-day comment period that would merit its further review of these requests, or unless the registrants withdrew their requests. The Agency received one anonymous public comment on the notice but didn't merit its further review of the requests. Further, two registrants did withdraw their requests. The Agency has removed the requests withdrawn by the registrants. Accordingly, EPA hereby issues in this notice a cancellation order granting the requested cancellations and amendments to terminate uses. Any distribution, sale, or use of the products subject to this cancellation order is permitted only in accordance with the terms of this order, including any existing stocks provisions.

DATES: The cancellations and amendments are effective August 21, 2019.

III. Summary of Public Comments Received and Agency Response to Comments

The Agency received one anonymous public comment on the notice. For this reason, the Agency does not believe that the comment submitted during the comment period merits further review or a denial of the requests for voluntary cancellation and use termination. Further, two registrants did withdraw their requests. The Agency received a withdrawal request from the registrant, Koopers Performance Chemicals, to withdraw the cancellation request for product registration 3008-91 and AEF Global, Inc., to withdraw the cancellation requests for product registrations 89046-11, 89046-12 and 89046-14.

Therefore, the Agency has removed these requests from this cancellation order and the registrations will remain active.

IV. Cancellation Order

Pursuant to FIFRA section 6(f) (7 U.S.C. 136d(f)(1)), EPA hereby approves the requested cancellations and amendments to terminate uses of the
