33 CFR Part 165

[Docket Number USCG-2019-0589]

RIN 1625-AA87

Security Zone; Los Angeles Fleet Week, San Pedro, California

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The U.S. Coast Guard is establishing a temporary security zone in the Port of Los Angeles Main Channel, in support of Los Angeles Fleet Week. This action is necessary to protect the area surrounding the LA World Cruise Center, public vessels moored, and the people attending the event. This regulation prohibits vessels from entering into, transiting through, or remaining within the designated area unless specifically authorized by the Captain of the Port Sector Los Angeles—Long Beach, or a designated representative.

DATES: This rule is effective from midnight on August 27, 2019, through 11:59 p.m. on September 3, 2019. The rule will be enforced from midnight to 11:59 p.m. each day.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2019-0589 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email MST1 Benjamin Martin, Waterways Management Branch, U.S. Coast Guard Sector Los Angeles—Long Beach; telephone (310) 521-3860, email D11-SMB-SectorLALB-WWM@uscg.mil.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable due to the lack of sufficient time to provide a reasonable comment period and consider those comments before issuing the rule and establishing the security zone by August 27, 2019.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to the public interest because immediate action is needed to protect the area surrounding the LA World Cruise Center, public vessels moored, and the people attending the event.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port, Sector Los Angeles—Long Beach (COTP) has determined that potential hazards associated with the event security may arise due to the expected high concentration of people in attendance for the event, including potential visits from dignitaries and VIP participants, within the main shipping channel of the nation’s most economically vital port complex. There is increased awareness regarding recent national and worldwide events that have demonstrated direct threats to the security of large crowds in attendance for various high profile events. For these reasons the Coast Guard believes that a temporary security zone is necessary to ensure the safety of, and reduce the risk

to, the public, and mariners, in the Port of Los Angeles.

IV. Discussion of the Rule

This rule establishes a temporary security zone from midnight on August 27, 2019 through 11:59 p.m. on September 3, 2019, encompassing all navigable waters from the surface to the sea floor consisting of a line connecting the following coordinates: 33°44.921’ N, 118°16.701’ W; 33°44.818’ N, 118°16.494’ W; 33°44.626’ N, 118°16.590’ W; 33°44.609’ N, 118°16.485’ W; 33°44.768’ N, 118°16.393’ W; 33°44.908’ N, 118°16.475’ W; and 33°44.966’ N, 118°16.665’ W. All coordinates displayed are referenced by North American Datum of 1983, World Geodetic System, 1984.

No vessel or person is permitted to operate in the security zone without obtaining permission from the COTP or the COTP’s designated representative. A designated representative is a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the COTP in the enforcement of the security zone. To seek permission to enter, hail Coast Guard Sector Los Angeles—Long Beach on VHF-FM Channel 16 or call at (310) 521-3801. Those in the security zone must comply with all lawful orders or directions given to them by the COTP or the COTP’s designated representative. Upon being hailed by a Coast Guard vessel or designated representative, by siren, radio, flashing light or other means, the operator of the vessel shall proceed as directed.

The general boating public will be notified prior to the enforcement of the temporary security zone via Broadcast Notice to Mariners.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders (E.O.s) related to rulemaking. Below we summarize our analyses based on a number of these statutes and E.O.s, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

E.O.s 12866 (“Regulatory Planning and Review”) and 13563 (“Improving Regulation and Regulatory Review”) direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits including potential economic, environmental, public health and safety

effects, distributive impacts, and equity. E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. Executive Order 13771 (“Reducing Regulation and Controlling Regulatory Costs” directs agencies to reduce regulation and control regulatory costs and provides that “for every one new regulation issued, at least two prior regulations be identified for elimination, and that the cost of planned regulations be prudently managed and controlled through a budgeting process.”

This regulatory action determination is based on the size, location, and duration of the security zone. Although this rule restricts access to the waters encompassed by the temporary security zone, the local waterway users will be notified via public Broadcast Notice to Mariners and will be able to plan their route in advance, which will minimize the access restriction. The entities most likely to be affected are waterfront facilities, commercial vessels, and pleasure craft engaged in recreational activities.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the temporary security zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator. Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture

Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under E.O. 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in E.O. 13132.

Also, this rule does not have tribal implications under E.O. 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a security zone encompassing an area around the Los Angeles Fleet Week events. Such actions are categorically excluded from further review under paragraph L60 (a) in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. An environmental analysis checklist supporting this determination and Record of Environmental Consideration (REC) are available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

[Docket No. USCG-2019-0685]

RIN 1625-AA00

Safety Zone; Waterview Loft Wedding, Detroit River, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 120-yard radius of a portion of the Detroit River, Detroit, MI. This zone is necessary to protect spectators and vessels from potential hazards associated with the Waterview Loft Wedding Fireworks.

DATES: This temporary final rule is effective from 9:30 p.m. through 10 p.m. on August 31, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2019-0685 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM)

with respect to this rule because doing so would be impracticable. The Coast Guard did not receive the final details of this fireworks display in time to publish an NPRM. As such, it is impracticable to publish an NPRM because we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule. Furthermore, immediate action is needed to allow the Coast Guard to enhance the safety of this event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would inhibit the Coast Guard's ability to protect participants, mariners and vessels from the hazards associated with this event.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Detroit (COTP) has determined that potential hazard associated with fireworks from 9:30 p.m. through 10 p.m. on August 31, 2019 will be a safety concern to anyone within a 120-yard radius of the launch site. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the fireworks are being displayed.

IV. Discussion of the Rule

This rule establishes a safety zone from 9:30 p.m. through 10 p.m. on August 31, 2019. The safety zone will encompass all U.S. navigable waters of the Detroit River, Detroit, MI, within a 120-yard radius of position 42°19.529' N, 083°02.436' W (NAD 83). No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a
