NPRM Notice of Proposed Rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. The Coast Guard did not receive the final details of this regatta in time to publish an NPRM. As such, it is impracticable to publish an NPRM because we lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Waiting for a 30-day effective period to run is impracticable and contrary to the public interest for the reasons discussed in the preceding paragraph.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Detroit (COTP) has determined that potential hazard associated with regatta from 7 a.m. through 5 p.m. on September 28, 2019 will be a safety concern to anyone within waters of the Maumee river, Toledo, OH from the Martin Luther King Jr. Memorial Bridge at river mile 4.30 to the Michael DiSalle Bridge at river mile 6.73. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the regatta occurs.

IV. Discussion of the Rule

This rule establishes a safety zone from 7 a.m. through 5 p.m. on September 28, 2019. The safety zone will encompass all U.S. navigable waters of the Maumee river, Toledo, OH from the Martin Luther King Jr. Memorial Bridge at river mile 4.30 to the Michael DiSalle Bridge at river mile 6.73. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

The Coast Guard will patrol the regatta area under the direction of the
