**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Emergency Mine Evacuation information collection. The information collection requirements contained in regulations 30 CFR parts 48 and 75 are to improve emergency evacuation and rescue in underground coalmines. These regulations include requirements for immediate accident notification applicable to all mines. In addition, the regulations contain reporting and record keeping requirements for training, including evacuation drills; self-contained self-rescuer storage, training, and use; and installation and maintenance of lifelines in underground coal mines. Federal Mine Safety and Health Act of 1977 sections 101(a) and 103(h) authorize this information collection. See 29 U.S.C. 811(a) and 813(h).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1219-0141.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on August 31, 2019. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice

published in the **Federal Register** on July 1, 2019 (84 FR 31352).

#### Notice of Intent To Audit

**AGENCY:** Copyright Royalty Board, Library of Congress.

**ACTION:** Public notice.

**SUMMARY:** The Copyright Royalty Judges announce receipt of a notice of intent to audit the 2018 statements of account submitted by Sirius XM Radio Inc.'s Commercial Webcaster service, Preexisting Satellite Digital Audio Radio Service, New Subscription Service, and Business Establishment Service concerning royalty payments they made pursuant to two statutory licenses.

#### FOR FURTHER INFORMATION CONTACT:

Anita Blaine, Program Specialist, by telephone at (202) 707-7658 or by email at [crb@loc.gov](mailto:crb@loc.gov).

*Summary Information:* The Copyright Act, title 17 of the United States Code, grants to sound recordings copyright owners the exclusive right to publicly perform sound recordings by means of certain digital audio transmissions, subject to limitations. Specifically, the right is limited by the statutory license in section 114 which allows nonexempt noninteractive digital subscription services, eligible nonsubscription services, and preexisting satellite digital audio radio services to perform publicly sound recordings by means of digital audio transmissions. 17 U.S.C. 114(f). In addition, a statutory license in section 112 allows a service to make necessary ephemeral reproductions to facilitate the digital transmission of the sound recording, including for transmissions to business establishments. 17 U.S.C. 112(e).

Licensees may operate under these licenses provided they pay the royalty fees and comply with the terms set by the Copyright Royalty Judges. The rates and terms for the section 112 and 114 licenses are set forth in 37 CFR parts 380 and 382-84.

As part of the terms set for these licenses, the Judges designated SoundExchange, Inc., as the Collective, i.e., the organization charged with collecting the royalty payments and statements of account submitted by eligible licensees and with distributing royalties to the copyright owners and performers entitled to receive them under the section 112 and 114 licenses. See, e.g., 37 CFR 380.2(a).
