

well as the risks of infection with reprocessed duodenoscopes. Subject matter of the panel meeting will include potential methods and expert assessment of how to reduce EtO emissions to the environment from medical device sterilization processes without compromising assurance of sterility or effective processing of medical devices. The panel will also discuss recommendations to reduce the risk of infection from reprocessed duodenoscopes.

FDA intends to make background material available to the public no later than 2 business days before the meeting. If FDA is unable to post the background material on its website prior to the meeting, the background material will be publicly available at the location of the advisory committee meeting and the background material will be posted on FDA's website after the meeting. Background material will be available at <https://www.fda.gov/advisory-committees/advisory-committee-calendar>. Scroll down to the appropriate advisory committee meeting link.

FDA plans to provide a live webcast of the November 6 and 7, 2019, meeting of the General Hospital and Personal Use Devices Panel of the Medical Devices Advisory Committee. While CDRH is working to make webcasts available to the public for all advisory committee meetings, there are instances where the webcast transmission is not successful; staff will work to re-establish the transmission as soon as possible. The link for the webcast is available at: <https://collaboration.fda.gov>. Webcast information, including the website address for the webcast, are the following, for their respective days:

Procedure: Interested persons may present data, information, or views, orally or in writing, on issues pending before the Committee. Written submissions may be made to the contact person on or before October 22, 2019. Oral presentations from the public will be scheduled on November 6, 2019, between approximately 1:30 p.m. and 2 p.m. and from 3:50 p.m. to 4:20 p.m. and on November 7, 2019, between approximately 1:20 p.m. and 1:50 p.m. Those individuals interested in making formal oral presentations should notify the contact person and submit a brief

statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before October 16, 2019. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by October 17, 2019.

Persons attending FDA's advisory committee meetings are advised that FDA is not responsible for providing access to electrical outlets.
