SUPPLEMENTARY INFORMATION:

Title: Regulations Under Section 1258 of the Internal Revenue Code of 1986;

Netting Rule for Certain Conversion Transactions.

OMB Number: 1545–1452.

Regulation Project Number: TD 8649.

Abstract: Internal Revenue Code section 1258 recharacterizes capital gains from conversion transactions as ordinary income to the extent of the time value element. The regulation provides that certain gains and losses may be netted for purposes of determining the amount of gain recharacterized. To be eligible for netting relief, the taxpayer must identify on its books and records all the positions that are part of the conversion transaction. This must be done before the close of the day on which the positions become part of the conversion transaction.

Current Actions: There is no change to this existing regulation.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other for-profit organizations, and not-for-profit institutions.

Estimated Number of Respondents: 50,000.

Estimated Time per Respondent: 6 minutes.

Estimated Total Annual Burden Hours: 5,000.

BILLING CODE 4830–01–P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Proposed Extension of Information Collection Request Submitted for Public Comment; Comment Request Information Returns With Respect to Energy Grants and Financing

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice and request for comments.

SUMMARY: The Internal Revenue Service, as part of its continuing effort to reduce paperwork and respondent burden, invites the public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. Currently, the IRS is soliciting comments concerning Form 6497, *Information Return of Nontaxable Energy Grants or Subsidized Energy Financing*.

DATES: Written comments should be received on or before November 12, 2019 to be assured of consideration.

ADDRESSES: Direct all written comments to Laurie Brimmer, Internal Revenue Service, Room 6129, 1111 Constitution Avenue NW, Washington, DC 20224. Requests for additional information or copies of the regulations should be directed to R. Joseph Durbala, at Internal Revenue Service, Room 6129, 1111 Constitution Avenue NW, Washington DC 20224, or through the internet, at RJoseph.Durbala@irs.gov.

SUPPLEMENTARY INFORMATION:

Title: Information Returns with respect to Energy Grants and Financing.
OMB Number: 1545–0232.
Form Number: 6497.

Abstract: Section 6050D of the Internal Code requires an information return to be made by any person who administers a Federal, state, or local program providing nontaxable grants or subsidized energy financing. Form 6497 is used for making the information return. The IRS uses the information from the form to ensure that recipients have not claimed tax credits or other benefits with respect to the grants or subsidized financing.

Current Actions: There is no change to the burden previously approved by OMB. This form is being submitted for renewal purposes only.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses and other for-profit organizations, and not-for-profit institutions.

Estimated Number of Respondents: 250.

Estimated Time per Respondent: 3 hrs., 14 mins.

Estimated Total Annual Burden Hours: 810.

The following paragraph applies to all the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number.

Books or records relating to a collection of information must be retained if their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Desired Focus of Comments: The Internal Revenue Service (IRS) is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Enhance the quality, utility, and clarity of the information to be collected; and
 - Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, by permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the ICR for OMB approval of the extension of the information collection; they will also become a matter of public record.

Approved: September 4, 2019.
