

monitoring Executive Branch implementation of the NISP, and DoD's rule duplicates an amendment to the NARA rule on the same subject.

DATES: This rule is effective on September 11, 2019.

FOR FURTHER INFORMATION CONTACT: Valerie Heil at 703-692-3754.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this rule removal in the CFR for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing duplicative information. DoD implementation of the NISP is conducted in accordance with Executive Order 12829, "National Industrial Security Program," and the ISOO rule at 32 CFR part 2004 of the same name. Revisions to 32 CFR part 2004 were finalized on May 7, 2018 (83 FR 19950) which govern DoD's NISP and made the content in part 117 redundant. Subpart C of part 117 should now be removed as it is duplicative and less comprehensive than 32 CFR part 2004. The part will be reserved in anticipation of the future need for DoD to issue a companion rule on the subject.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review," therefore, the requirements of E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" do not apply.

PART 117—[REMOVED AND RESERVED]

■ Accordingly, by the authority of 5 U.S.C. 301, 32 CFR part 117 is removed and reserved.

Office of the Inspector General (OIG) Privacy Program

AGENCY: Office of the Inspector General, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes DoD's regulation concerning the Office of the Inspector General (OIG) Privacy Program. On April 11, 2019, the Department of Defense published a revised DoD-level Privacy Program rule, which contains the necessary information for an agency-wide privacy program regulation under the Privacy Act and now serves as the single Privacy Program rule for the Department. That revised Privacy Program rule also includes all DoD component exemption rules. Therefore, the part is now unnecessary and may be removed from the CFR.

DATES: This rule is effective on September 11, 2019.

FOR FURTHER INFORMATION CONTACT: Mark Dorgan at 703-699-5680.

SUPPLEMENTARY INFORMATION: DoD now has a single DoD-level Privacy Program rule at 32 CFR part 310 (84 FR 14728) that contains all the codified information required for the Department. OIG Program regulation at 32 CFR part 312, last updated on May 5, 2014 (79 FR 25506), is no longer required and can be removed.

It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on the removal of policies and procedures that are either now reflected in another CFR part, 32 CFR part 310, or are publicly available on the Department's website. To the extent that OIG internal guidance concerning the implementation of the Privacy Act within OIG is necessary, it will continue to be published in Inspector General Instruction 5400.11, "Privacy Act Program," available at <https://www.dodig.mil/Portals/48/Documents/Programs/Privacy%20Program/IGDINST540011AIG-AMsigned1-29-101.pdf?ver=2017-04-14-103826-317> (January 29, 2010).

This rule is one of 20 separate component Privacy rules. With the finalization of the DoD-level Privacy

rule at 32 CFR part 310, the Department is eliminating the need for this separate component Privacy rules and reducing costs to the public as explained in the preamble of the DoD-level Privacy rule published on April 11, 2019, at 84 FR 14728-14811.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review." Therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.

RIN 1625-AA00

Safety Zone for Hurricane Dorian; Coast Guard Maryland-National Capital Region Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters within the Coast Guard Maryland-National Capital Region Captain of the Port Zone. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the possible landfall of Hurricane Dorian. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Maryland-National Capital Region.

DATES: This rule is effective without actual notice from September 11, 2019 until 5 a.m. on September 12, 2019. For the purposes of enforcement, actual notice will be used from 5 a.m. on September 6, 2019, until September 11, 2019.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

COTP Captain of the Port
CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. Immediate action is required by the Coast Guard due to the potential safety hazards vessels in these waterways present to life, property and the environment during a hurricane. We must establish this safety zone by September 6, 2019, to ensure that the rule is in place in advance of Hurricane Dorian.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is needed to restrict vessel traffic to protect life, property and the environment and respond to the potential safety hazards associated with the nature and path of Hurricane Dorian.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034

(previously 33 U.S.C. 1231). Hurricane Dorian continues to track toward the mid-Atlantic region, with a most probable path inclusive of the Chesapeake Bay, Maryland. The COTP Maryland-National Capital Region has determined that potential hazards associated with the destructive force associated with a hurricane necessitates establishment of a temporary safety zone to protect the safety of life and property on navigable waters starting September 6, 2019, will be a safety concern for anyone within the COTP Maryland-National Capital Region Zone. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the weather event.

IV. Discussion of the Rule

This rule establishes a safety zone from 5 a.m. on September 6, 2019, until 5 a.m. on September 12, 2019, unless sooner terminated by the Captain of the Port Maryland-National Capital Region. The safety zone will cover all navigable waters within the COTP Maryland-National Capital Region Zone, as described in 33 CFR 3.25-15. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters due to the expected impact of Hurricane Dorian. Except for vessels already at berth, mooring, or anchor, all vessels underway within this safety zone at the time it is implemented are to depart the zone. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. To seek permission to enter, vessels and persons may contact the COTP or the COTP's representative by telephone number 410-576-2693 or on Marine Band Radio VHF-FM channel 16 (156.8 MHz). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits.

Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the duration of the safety zone. The effect of this regulation will not be significant due to the limited time that will be regulated (less than a week) and that vessel traffic will be allowed to transit through the zone once the hurricane has passed, when it has been determined safe to do so, and with the permission of the COTP Maryland-National Capital Region. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The

Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Environmental Planning COMDTINST 5090.1 (series),

which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that will prohibit entry within the COTP Maryland-National Capital Region Zone for six days, as described in 33 CFR 3.25-15, due to the expected impact of Hurricane Dorian. It is categorically excluded from further review under paragraph L60(c) in Table 3-1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

- 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

- 2. Add § 165.T05-0775 to read as follows:

§ 165.T05-0775 Safety Zone for Hurricane DORIAN; Coast Guard Maryland-National Capital Region Captain of the Port Zone.

(a) *Location.* The following area is a safety zone: All navigable waters of the Coast Guard Captain of the Port Maryland-National Capital Region Zone, as described in 33 CFR 3.25-1.

(b) *Definitions.* As used in this section—

Captain of the Port Maryland-National Capital Region means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

Designated representative means any Coast Guard commissioned, warrant, or petty officer who has been authorized

by the Captain of the Port Maryland-National Capital Region (COTP) to assist in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative. All vessels entering the safety zone may be boarded and examined by the Coast Guard under existing regulations, prior to entry, to ensure compliance with the general safety zone regulations.

(2) Except for vessels already at berth, mooring, or anchor, all vessels underway within this safety zone on September 6, 2019, are to depart the zone.

(3) To seek permission to enter, contact the COTP or the COTP's representative by telephone number 410-576-2693 or on Marine Band Radio VHF-FM channel 16 (156.8 MHz). Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(4) The Coast Guard vessels enforcing this section can be contacted on Marine Band Radio VHF-FM channel 16 (156.8 MHz). Upon being hailed by a U.S. Coast Guard vessel, or other Federal, State, or local agency vessel, by siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

(5) The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

Dated: September 5, 2019.

Joseph B. Loring,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.
