**SUMMARY:** The Department of Commerce (Commerce) preliminarily determines that certain steel nails from Malaysia are being sold in the United States at less than normal value during the period of review. **DATES:** Applicable September 11, 2019.

#### SUPPLEMENTARY INFORMATION:

##### Background

These preliminary results of review are made in accordance with section 751 of the Tariff Act of 1930, as amended (the Act). On September 10, 2018, Commerce published the notice of initiation for the administrative review.<sup>1</sup> Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019, moving the deadline to May 13, 2019.<sup>2</sup> On May 9, 2019, we extended the time limit for completion of the preliminary results of the review to no later than August 27, 2019.<sup>3</sup> For a complete description of the events that followed the initiation of the review, *see*

<sup>1</sup> *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 83 FR 45596 (September 10, 2018) (*Initiation Notice*).

All deadlines in this segment of the proceeding have been extended by 40 days.

A list of topics included in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and to all parties in the Central Records Unit, located in room B8094 of the main Commerce building. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

#### Scope of the Order

The products covered by the scope of the order are certain steel nails from Malaysia. For a complete description of the scope, *see* Appendix I of this notice.

#### Partial Rescission of Administrative Review

In the *Initiation Notice*, we initiated a review of nine companies.<sup>5</sup> Subsequently, the petitioner, Mid Continent Steel & Wire, Inc., withdrew its request for review of five of these companies. No other parties had requested a review of these companies. Thus, in response to the petitioner’s timely filed withdrawal request and pursuant to 19 CFR 351.213(d)(1), we are rescinding the administrative review of the following companies: Astrotech Steels Private Limited, Caribbean International Co. Ltd., Chia Pao Metal Co., Ltd., Jinhai Hardware Co. Ltd., and Tag Fasteners Sdn. Bhd.

#### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Act. For a full description of the methodology underlying the

<sup>4</sup> *See* Memorandum, “Decision Memorandum for Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review: Certain Steel Nails from Malaysia; 2017–2018,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

<sup>5</sup> These nine companies included Inmax Sdn. Bhd. and Inmax Industries Sdn. Bhd. (collectively, Inmax) and Region International Co. Ltd. and Region System Sdn. Bhd. (collectively, Region). Commerce has preliminarily determined to collapse the Inmax companies and treat them as a single entity for purposes of this review. Likewise, it has preliminarily determined to collapse the Region companies and treat them as a single entity. For a discussion of the collapsing criteria, *see* the company-specific analysis memorandum, dated concurrently with this notice.

preliminary results, *see* the Preliminary Decision Memorandum.

**Preliminary Results of Review**

We preliminarily determine that, for the period July 1, 2017 through June 30, 2018, the following weighted-average dumping margins exist:

Producer/exporter	Weighted-average dumping margin (percent)
Inmax Sdn. Bhd. and Inmax Industries Sdn. Bhd. ....	0.00
Region International Co. Ltd. and Region System Sdn. Bhd.	3.47

**Disclosure and Public Comment**

Commerce will disclose to parties to the proceeding any calculations performed in connection with these preliminary results of review within five days after the date of publication of this notice.<sup>6</sup> Interested parties may submit case briefs no later than seven days after the date on which the last verification report is issued in this administrative review.<sup>7</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the deadline for filing case briefs.<sup>8</sup> Parties who submit case or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>9</sup> Case and rebuttal briefs should be filed using ACCESS.<sup>10</sup>

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance within 30 days of the date of publication of this notice.<sup>11</sup> Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues parties intend to discuss. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a date and time to be determined.<sup>12</sup> Parties should confirm by telephone the date,

time, and location of the hearing two days before the scheduled date.

Unless extended, Commerce intends to issue the final results of this administrative review, which will include the results of our analysis of all issues raised in the case briefs, within 120 days of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

**Assessment Rates**

Upon completion of the administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>13</sup> The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>14</sup> We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Inmax and Region listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or in the investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 2.66 percent. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Notification to Importers**

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Notification to Interested Parties**

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and sections 19 CFR 351.213(h)(1) and 351.221(b)(4).

Dated: September 5, 2019.
