

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0738 to read as follows:

§ 165.T05–0738 Security Zone; Inner Harbor, Baltimore, MD.

(a) *Location.* The following area is a security zone: All waters of the Inner Harbor, from surface to bottom, encompassed by a line connecting the following points beginning at 39°16′58.7″ N, 076°36′16.0″ W, thence to 39°16′55.3″ N, 076°36′14.2″ W, thence to 39°16′53.6″ N, 076°36′12.5″ W, thence to 39°16′52.9″ N, 076°36′10.0″ W, thence to 39°16′55.5″ N, 076°36′10.2″ W, thence to 39°17′20.6″ N, 076°36′19.9″ W; thence to 39°17′20.5″ N, 076°36′20.5″ W, thence to 39°16′58.1″ N, 076°36′13.0″ W, thence along Inner Harbor Pier 6 back to the beginning point. These coordinates are based on datum NAD 1983.

(b) *Definitions.* As used in this section—

Captain of the Port means the Commander, U.S. Coast Guard Sector Maryland-National Capital Region.

Designated representative means a Coast Guard commissioned, warrant, or petty officer designated by or assisting the Captain of the Port Maryland-National Capital Region (COTP) in the enforcement of the security zone.

Public vessel means a vessel that is owned, chartered, or operated by the Government of the United States, or by a State or political subdivision thereof.

(c) *Regulations.* (1) Under the general security zone regulations in subpart D of this part, you may not enter the security zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) Except for public vessels, all vessels within this security zone at the time it is implemented are to depart the zone.

(3) Persons desiring to transit the area of the security zone must first obtain authorization from the COTP or the COTP's designated representative. To

seek permission to enter, contact the COTP or the COTP's representative by telephone number 410–576–2693 or on Marine Band Radio VHF–FM channel 16 (156.8 MHz). Those in the security zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement officials.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State, and local agencies.

Dated: September 6, 2019.

Joseph B. Loring,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[Docket Number USCG–2019–0609]

RIN 1625–AA00

Safety Zone; Fireworks Display, Indian River Bay, DE

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the waters of the Indian River Bay near Long Neck, DE, on September 14, 2019, with September 15, 2019 as an alternate date for inclement weather, to provide for safety of life during the Long Neck Style fireworks display. The safety zone is necessary to ensure the safety of participant vessels, spectators, and the boating public during the event. This regulation prohibits persons and non-participant vessels from entering, transiting through, anchoring in, or remaining within the safety zone unless authorized by the Captain of the Port (COTP) Delaware Bay or a designated representative.

DATES: This rule is effective from 8:00 p.m. to 10:30 p.m. on September 14, 2019 (with September 15, 2019 as an alternate date for inclement weather).

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2019–0609 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or

email Petty Officer Thomas Welker, U.S. Coast Guard Sector Delaware Bay, Waterways Management Division: Telephone (215) 271–4814, email Thomas.J.Welker@uscg.mil.

SUPPLEMENTARY INFORMATION:**I. Table of Abbreviations**

CFR Code of Federal Regulations
COTP Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

This fireworks display safety zone is listed in the table to 33 CFR 165.506, section (a), row (2), except that instead of taking place on Labor Day as published, it is being moved two weeks later. Due to this date change, the Coast Guard is issuing a new temporary rule instead of a notice of enforcement of the published rule. Additionally, the Coast Guard is reducing the size of the safety zone from a circle with a 700 yard radius as published to a circle with a 150 yard radius around the launch site.

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest to do so. There is insufficient time to allow for a reasonable comment period prior to the date of the event. The rule must be in force by September 14, 2019. We are taking immediate action to ensure the safety of spectators and the general public from hazards associated with the fireworks display. Hazards include accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is needed to mitigate the potential safety hazards associated

with a fireworks displays in this location.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Delaware Bay (COTP) has determined that potential hazards associated with the fireworks to be used in this September 14, 2019 (with September 15, 2019 as an alternate date for inclement weather), display will be a safety concern for anyone within a 150-yard radius of the launch site. The purpose of this rule is to ensure safety of vessels and the navigable waters in the safety zone before, during, and after the scheduled event.

IV. Discussion of the Rule

This rule establishes a temporary safety zone on the waters of the Indian River Bay near Long Neck, DE, during a fireworks display scheduled to take place between 8:00 p.m. and 10:30 p.m. on September 14, 2019 (with September 15, 2019 as an alternate date for inclement weather). The fireworks will be set off from a pier over the bay at approximate position latitude 38°36'42" N, longitude 075°08'18" W. The safety zone will extend 150 yards around the launch site. No person or vessel will be permitted to enter, transit through, anchor in, or remain within the safety zone without obtaining permission from the COTP Delaware Bay or a designated representative. If the COTP Delaware Bay or a designated representative grants authorization to enter, transit through, anchor in, or remain within the safety zone, all persons and vessels receiving such authorization must comply with the instructions of the COTP Delaware Bay or a designated representative. The Coast Guard will provide public notice of the safety zone by Local Notice to Mariners and Broadcast Notice to Mariners.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies

to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, the rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

The impact of this rule is not significant for the following reasons: (1) The enforcement period will last one and a half hour when vessel traffic is usually low; (2) although persons and vessels may not enter, transit through, anchor in, or remain within the safety zone without authorization from the COTP Delaware Bay or a designated representative, they may operate in the surrounding area during the enforcement period; (3) persons and vessels will still be able to enter or transit through the regulated area if authorized by the COTP Delaware Bay; (4) the Coast Guard will provide advance notification of the safety zone to the local maritime community by Local Notice to Mariners and Broadcast Notice to Mariners; and (5) as noted in Section II above the Coast Guard is reducing the radius of the zone from 700 (as published in the table to 33 CFR 165.501, section (a), row (2)) to 150 yards.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person

listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule

will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have made a determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone that prohibits persons and vessels from entering, transiting through, anchoring in, or remaining within a limited area on the navigable water in the Delaware River, during a fireworks display lasting approximately one and a half hours. It is categorically excluded from further review under paragraph L60(a) in Table 3-1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Record of Environmental Consideration (REC) supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05-0609 to read as follows:

§ 165.T05-0609 Safety Zone; Fireworks Display, Indian River Bay, DE.

(a) *Location.* The following area is a safety zone: All waters of Indian River

Bay off Long Neck, DE within 150 yards of the launch site at approximate position latitude 38°36'42" N, longitude 075°08'18" W.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard petty officer, warrant or commissioned officer on board a Coast Guard vessel or on board a federal, state, or local law enforcement vessel assisting the Captain of the Port (COTP), Delaware Bay in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter or remain in the zone, contact the COTP or the COTP's representative via VHF-FM channel 16 or 215-271-4807. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(3) This section applies to all vessels except those engaged in law enforcement, aids to navigation servicing, and emergency response operations.

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* This zone will be enforced from approximately 8:00 p.m. through 10:30 p.m. on September 14, 2019 (with September 15, 2019 as an alternate date for inclement weather).

Dated: September 6, 2019.

Jonathan D. Theel,

Captain, U.S. Coast Guard, Acting Captain of the Port Delaware Bay.

[Docket Number USCG-2019-0719]

RIN 1625-AA00

Safety Zone; New Jersey Intracoastal Waterway, Atlantic City, NJ

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for

certain navigable waters of the New Jersey Intracoastal Waterway. The safety zone is needed to protect participants of the 4th Annual Ironman 70.3 Atlantic City Triathlon on these navigable waters near Atlantic City, NJ, during a swim event on September 15, 2019. This regulation prohibits non-participant persons and vessels from entering, transiting through, anchoring in, or remaining within the safety zone unless authorized by the Captain of the Port (COTP) Delaware Bay or a designated representative.

DATES: This rule is effective from 5:30 a.m. through 10:30 a.m. on September 15, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2019-0719 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions about this rule, call or email Petty Officer Thomas Welker, U.S. Coast Guard Sector Delaware Bay, Waterways Management Division; telephone 215-271-4814, email Thomas.J.Welker@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
 COTP Captain of the Port
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

This swim event is listed in the table to 33 CFR 110.506, section (a), row (2), but because this year's course location has expanded beyond the previously published boundaries, we are issuing a new temporary rule to ensure coverage over the event location. Additionally, we are using "Safety Zone" authorities to issue this rule instead of the "Special Local Regulation" authorities under which we published the permanent rule for this event.

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary
