

indicative values to market participants that already subscribe to their data or wish to subscribe. Moreover, the indicative values disseminated via OPRA will continue to be clearly marked with an “I” indicator to distinguish them as indicative values, and not a quote or last sale, thereby protecting investors. As a result of the above, the proposed amendment serves to protect investors by fostering coordination with persons engaged in the processing of information with respect to securities and removing impediments to and perfecting the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendment to continue the dissemination of indicative values via OPRA, rather than discontinue them under SR-CBOE-2019-046 (effective October 7, 2019), is merely allowing a dissemination process currently in place to continue, thus allowing for market participants who currently subscribe to OPRA data to continue to receive such values through OPRA after October 7, 2019. As this is a process currently in place, the Exchange believes this proposed filing to allow for its continuation will have no impact on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(6)¹¹ thereunder. Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section

19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹² of the Act to determine whether the proposed rule change should be approved or disapproved.
