Methodology

Commerce is conducting this review in accordance with section 751(a)(1) and (2) of Tariff Act of 1930, as amended (the Act). Export price and constructed export price were calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, the complete Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content.

Preliminary Results of the Review

We preliminarily determine the following weighted-average dumping margins exist for the POR:

Exporter/producer	Estimated weighted-average dumping margin (percent)
Prosperity Tieh Enterprise Co., Ltd	0.60
Yieh Phui Enterprise Co., Ltd. and Synn Industrial Co., Ltd ...	0.51
Sheng Yu Steel Co., Ltd	6.76

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

If the weighted-average dumping margin for YP/Synn, Prosperity, and SYSCO is not zero or *de minimis* (i.e., less than 0.5 percent), we will calculate importer-specific *ad valorem* AD assessment rates based on the ratio of the total amount of dumping calculated for the importers examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).⁵ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is above *de minimis* (i.e., 0.5 percent). Where either the respondent's weighted-average dumping margin is zero or *de minimis*, or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review where applicable.

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by each respondent for which they did not know that their merchandise was destined for the United States, we will instruct CBP to liquidate entries not reviewed at the all-others rate of 3.66 percent⁶ if there is no

rate for the intermediate company(ies) involved in the transaction.⁷ We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of CORE from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication provided by section 751(a)(2) of the Act: (1) The cash deposit rate for each company listed above will be equal to the dumping margins established in the final results of this review except if the ultimate rates are *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rates will be zero; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.66 percent, the all-others rate established in *Amended Final Determination*.⁸ These deposit requirements, when imposed, shall remain in effect until further notice.

Utility Scale Wind Towers From the Socialist Republic of Vietnam: Rescission of Antidumping Duty Administrative Review; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on utility scale wind towers (wind towers) from the Socialist Republic of Vietnam (Vietnam) for the period of review (POR) February 1, 2018 through January 31, 2019, based on the withdrawal of the request for review.

DATES: Applicable September 12, 2019.

FOR FURTHER INFORMATION CONTACT: Ariela Garvett, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3609.

SUPPLEMENTARY INFORMATION:

Background

On February 8, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on wind towers from Vietnam for the POR February 1, 2018, through January 31, 2019.¹ On February 26, 2019, in accordance with

section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), Commerce received a timely request from the Wind Tower Trade Coalition, (the petitioner) with respect to CS Wind Group, Vina Halla Heavy Industries Ltd., and UBI Tower Sole Member Company Ltd.²

Pursuant to this request, and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), on May 2, 2019, Commerce published a notice of initiation of an administrative review of the antidumping duty order on wind towers from Vietnam with respect to these companies.³ On May 16, 2019, the petitioner timely withdrew its request for an administrative review of these companies.⁴ No other party requested a review.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. As noted above, the petitioner withdrew its request for review within the 90-day of the publication date of the *Initiation Notice*. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review on wind towers from Vietnam covering the period February 1, 2018, through January 31, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of wind towers from Vietnam during the February 1, 2018, through January 31, 2019 period, at rates equal to the cash deposit rate for estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.
